Description of the Event:

KLEF-CEA organised an “Anti-Ragging Awareness” program on 20th August 2025 at KLEF, aimed at educating students about the harmful effects of ragging and promoting a safe and inclusive campus environment. The event included interactive sessions, speeches by faculty members, and awareness talks highlighting legal consequences, disciplinary actions, and the importance of mutual respect among students. Posters, slogans, and real-life case discussions were used to create a strong impact on the participants. The program motivated students to stand against ragging, support their peers, and uphold a culture of unity, discipline, and responsibility within the institution.

Objectives:

The sessions helped students clearly understand the legal, ethical, and social consequences of ragging while encouraging them to foster mutual respect and harmony. Many students actively participated in discussions, shared their views, and pledged to stand against ragging in any form. The program successfully strengthened awareness, built confidence among fresher’s and reinforced the university’s commitment to providing a safe and supportive learning environment.

Impact of the Society:

The “Anti-Ragging Awareness” program organised by KLEF-CEA on 20th August 2025 at KLEF created a positive impact on society by spreading the message of harmony, respect, and zero tolerance towards ragging beyond the campus. The initiative not only assured parents and the community about the safety of students but also encouraged young individuals to become responsible citizens who value empathy and inclusiveness. By sensitizing students to the psychological and social damage caused by ragging, the program contributed to building a culture of dignity and equality, inspiring others to adopt similar preventive measures in educational institutions and society at large.
