A report on “MAGIC WITH MATHS” 05/08/2026 at Z.P. High School, Vaddeswaram Village

The poster is for an event titled "MAGIC WITH MATHS" organized by the Center for Extension Activities (CEA) of Koneru Lakshmaiah Education Foundation (KLEF). The event is scheduled for 05/08/2026 at Z.P. High School, Tadepalli Village. The poster features illustrations of three children (two boys and one girl) gathered around a table with various math-related items like a magic hat, blocks, and a book. It includes mathematical formulas like $2+3=5$, $a^2+b^2=c^2$, and π . A speech bubble from one of the children says, "MATHS is not about numbers, equations, or algorithms: It's about UNDERSTANDING the WORLD!". The poster also lists objectives, activities, and benefits of learning maths.

Experience the wonder where numbers turn into magic!

MAGIC WITH MATHS

Discover • Explore • Enjoy

The Magic Behind Mathematics!

DATE: 05/08/2026

VENUE: Z.P. High School, Tadepalli Village

Let's make Maths Fun, Simple & Magical!

OBJECTIVES

- ★ To remove the fear of Maths and create interest through fun activities.
- ★ To show the real-life applications of Mathematics.
- ★ To develop logical thinking and problem solving skills.
- ★ To encourage creativity and team participation.

MATHS is EVERYWHERE, MAGIC is in YOUR MIND!

ACTIVITIES

- ✓ Maths Tricks & Puzzles
- ✓ Fun Games with Numbers
- ✓ Logical Challenges
- ✓ Maths in Daily Life
- ✓ Prizes & Certificates

BENEFITS OF LEARNING MATHS

- Improves Logical Thinking
- Enhances Problem Solving
- Boosts Creativity
- Helps in Real Life Decision Making
- Builds Confidence & Success

Come, Explore and Experience the Magic of Maths!

Details of the Event:

Date of the Event	: 05-08-2026
Name of the Event	: Nutrition Awareness
No. of Hours	: 01:30 PM To 04: 30 PM
Venue of the Event	: Vaddeswaram Village
No. of Participants	: Students: 60, Faculty: 01
No. of Beneficiaries	: 289

Description of the Event:

KLEF-CEA organized a "Magic with Math's" event on 05/08/2026 at Tadepalli School. The event aimed to make mathematics enjoyable, interactive, and easy to understand for school students through fun-based learning activities. Volunteers demonstrated mathematical tricks, puzzles, logical reasoning games, and quick calculation techniques that captured the students' interest. The activities encouraged active participation, improved problem-solving skills, and helped students overcome their fear of mathematics by showing its practical and entertaining aspects.

Objectives:

To develop students' interest in mathematics through interactive and engaging activities.

- ❖ To improve logical thinking, analytical reasoning, and problem-solving skills among students.
- ❖ To demonstrate simple mathematical tricks and techniques for faster calculations.
- ❖ To encourage active participation and build confidence in solving mathematical problems.
- ❖ To create a positive learning environment where students enjoy exploring mathematical concepts.

Outcome:

The "Magic with Math's" event at Tadepalli School received an enthusiastic response from the students and teachers. Students actively participated in the mathematical games, puzzles, and interactive demonstrations with great excitement. The event helped improve their confidence in solving mathematical problems and enhanced their logical thinking abilities. It also changed students' perception of mathematics by making the subject more enjoyable, engaging, and easier to understand.

Impact of the Society:

The "Magic with Math's" event made a positive impact by promoting quality education and encouraging young students to develop an interest in mathematics from an early age. The program inspired students to think critically, improve their analytical abilities, and approach mathematical problems with confidence. By making learning fun and interactive, the event contributed to strengthening foundational mathematical skills and fostering a culture of curiosity, creativity, and lifelong learning among school students.
