Brief Overview on CEA

The **Centre for Extension Activity (CEA)** is an initiative that connects the institution with society through community-oriented programs. It encourages students to participate in social service, outreach activities, and humanitarian initiatives, helping them develop social responsibility and empathy along with practical life experience.

Objectives:

- To promote community engagement and social responsibility among students
- To organize extension and outreach activities for societal welfare
- To provide students with opportunities to serve vulnerable sections of society
- To inculcate empathy, compassion, and ethical values
- To strengthen the institution's connection with the community

Report:

A Centre for Extension Activity (CEA) community service programme on **Vasthradhan – Old Clothes Distribution** was successfully conducted by Central CEA at **Hanumanpeta, Screw Bridge – Vijayawada, and Navuluru – Guntur**. Students from the Department of BCA, KLEF actively participated in the programme. The primary objective of the programme was to support underprivileged and needy members of the local community by distributing usable old clothes and promoting the values of compassion, social responsibility, and community service.

The BCA students actively participated in various activities during the programme. They collected and organised reusable clothes and interacted with the local community during the distribution activity. The students distributed clothes to needy individuals and families and created awareness about the importance of sharing resources with those in need. The programme also encouraged students to understand the importance of kindness, empathy, dignity, and responsible community participation.

The programme created a meaningful and positive impact on both the students and the local community. Participation in the activity helped BCA students develop empathy, teamwork, social responsibility, communication skills, and a better understanding of community needs. The interaction with the beneficiaries provided students with an opportunity to understand the value of helping disadvantaged sections of society and contributing towards their well-being.

The programme successfully fulfilled the objectives of Central CEA by promoting **community welfare, social responsibility, compassion, and humanitarian values**. The active participation of BCA students contributed to the success of the **Vasthradhan – Old Clothes Distribution** programme and encouraged the community to support those in need through sharing and responsible use of available resources at **Hanumanpeta, Screw Bridge – Vijayawada, and Navuluru – Guntur**.

Outcome :

1. The programme promoted the spirit of compassion, kindness, and social responsibility among students through active participation in the distribution of clothes to people in need.
2. Students developed a greater understanding of the needs and challenges faced by underprivileged and economically weaker sections of the community.
3. The distribution of new and usable old clothes helped provide essential clothing support to needy individuals and contributed to their dignity and well-being.
4. The activity strengthened students' communication, teamwork, leadership, coordination, and community interaction skills through their involvement in organizing and conducting the programme.
5. The programme encouraged students and community members to practice sharing, reuse, and responsible utilization of resources, thereby reducing unnecessary textile waste.

6. The activity created awareness about the importance of donating usable clothes instead of discarding them, promoting an environmentally responsible and socially beneficial practice.
7. The programme strengthened the bond between the institution and the local community at Nuthakki, Mangalagiri, by addressing a basic community need through student participation.
8. Overall, the Vasthradhana/old clothes distribution programme successfully fulfilled the objectives of the Centre for Extension Activity (CEA) by promoting social service, empathy, community welfare, resource sharing, and responsible citizenship among students.
