**AWARENESS OF INTERNET IN VILLAGES**

**Date** :06-09-2019

**Time** :9:30 A.M to 1:00 P.M

**Venue** : PEDDAPALEM

To create awareness among the people in the village about internet CEA team members visited PEDDAPALEM. These days there is a great deal for internet. Everyone is using internet. Internet has changed our lives. The Internet provides us useful data, information, and knowledge for the personal, social and economic development.

Everyone should have knowledge about the new technologies and new applications that will be helpful in their daily life. So to access the applications they should know the usage of internet. Our Faculty In-Charge Mr. Kalaipriyan had played a vital role in explaining the village residents about the importance of usage of internet.

Our students explained the villagers how to use internet like how to google about usage of different pesticides and also how to know about the different prices of required items for farming and agriculture.

**Students who participated in creating awareness on the internet usages.**

At the end of this program people in the village were able to know the importance of internet and how to use it in different aspects in their daily life. and also the president of the village appreciated our CEA team for doing this which is going to be very helpful for them. People who were there in village received team members very well and they are very interested to listen what our team members are saying and to learn the things which they were showing. they were happy that learning this is very helpful to them in their daily life.

### **Awareness on Literacy**

**Date** :20-09-2019

**Time** : 10:00 A.M to 1:00 P.M

**Venue** : PEDDAPALEM

To create awareness among the people in the village about Literacy CEA team members visited PEDDAPALEM. These days there is a great demand of reading and writing. Everyone now-a-days need to be minimum educated. It has become basic necessary for everyone. So we the people of CEA had organized an event to tell the students the importance of literacy on the occasion of World Literacy Day

The **Importance of Literacy** is helping someone to read and write effectively or acquire the basic math skills so many of us take for granted, improves the future of everyone in society. **Literacy** is critical to economic development as well as individual and community well-being. Our students explained the villagers how to use internet like how to google about usage of different pesticides and also how to know about the different prices of required items for farming and agriculture.

CEA Team also visited Z P H School in Peddapalem and explained importance of education to them through explanation and Played animated videos that explains them the

importance of education. Conducted two small events based on the session and distributed chocolates.

### **CSE-CEA Survey on Agricultural Conditions In PEDDAPALEM**

Date : 20-09-2019  
Time : 10 AM to 3 PM  
Venue : Peddapalem

We the team visited Peddapalem conducted survey on climatic conditions where the villagers facing problems in their day to day life during their crop harvesting. The survey went well with nearly 80 Farmers gave their responses that they are facing in their fields. We the members of CSE-CEA had interaction with Secretary and villagers in the panchayat office of Peddapalem about their problems related to agriculture. Major problems they discussed is that Rats that spoiling seeds. No proper communication between farmer and buyers. High cost of Pesticides which they are unable to buy for their crops.
