NATIONAL TECHNOLOGY DAY

Dates: 11 th MAY 2024

Venue: C 325

The FOCUS Official Student Governance Body of the Computer Science and Engineering (CSE) department at KLEF organized a special event to celebrate National Technology Day. The event aimed to highlight the significance of technological advancements and featured valuable speeches from faculty members.

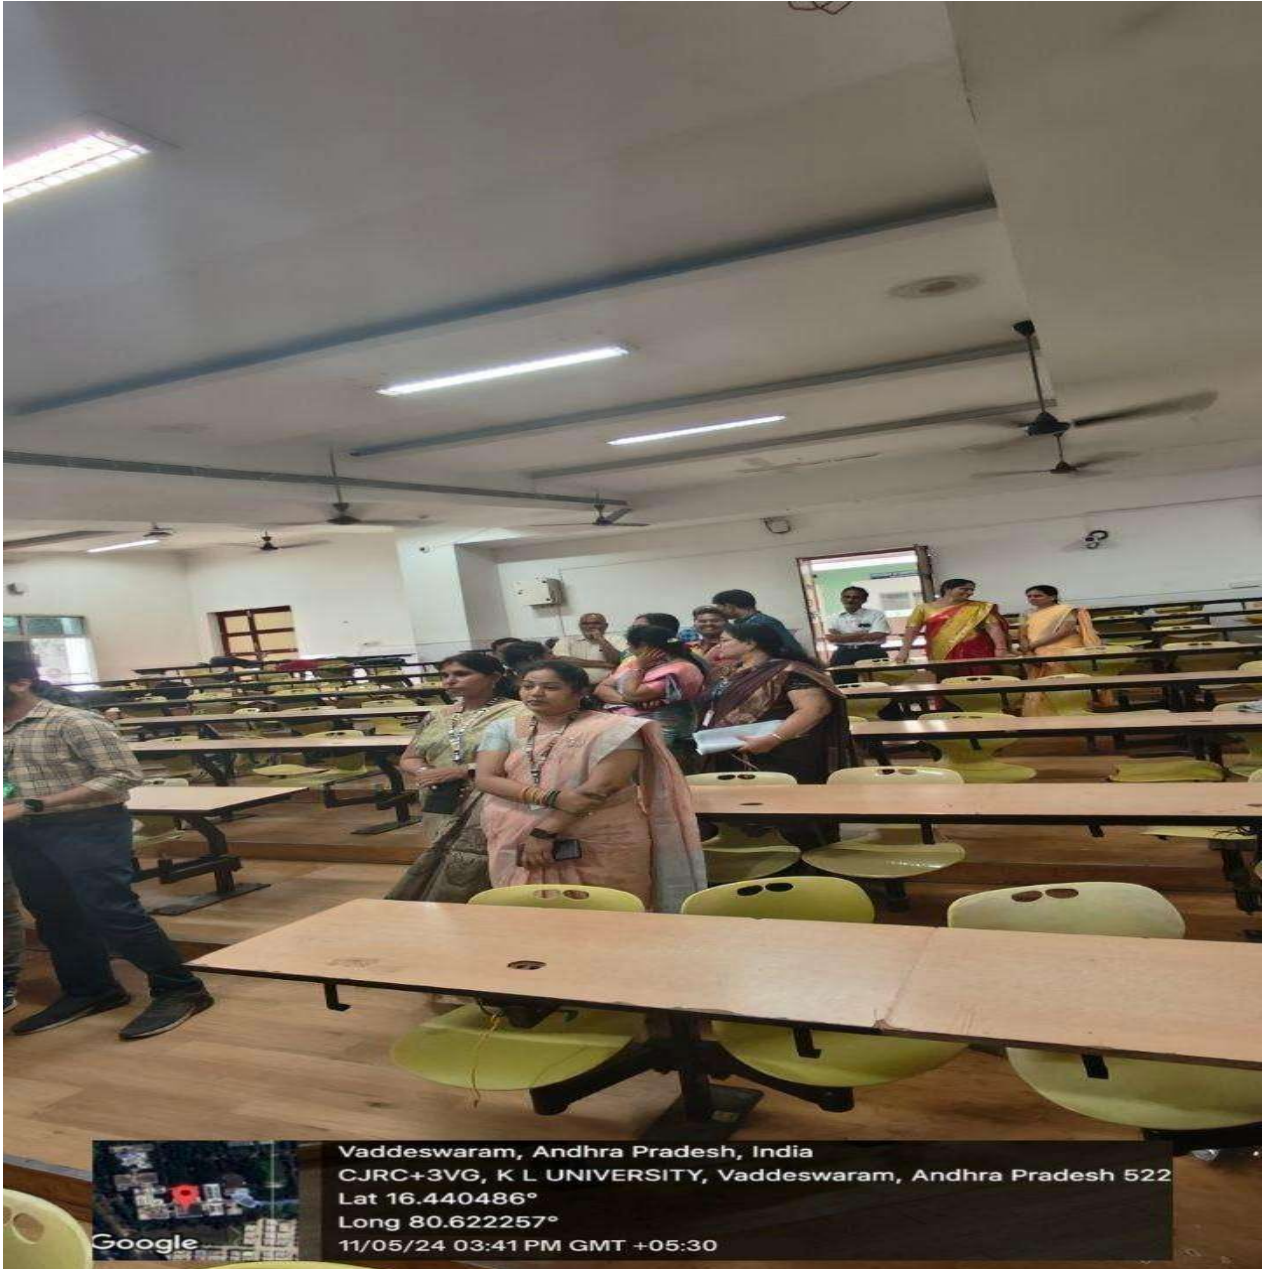

Keynote Speeches

Several faculty members shared their insights and perspectives on technology:

Dr. T Santhi Sri (Deputy HOD CSE Honors): Dr. Santhi Sri initiated the event and emphasized the importance of technological literacy. She highlighted the 19 technical clubs and global certifications available, encouraging students to explore these opportunities for skill development.

Dr. A Senthil (HOD CSE Honors): Dr. Senthil shared his thoughts on the rapid evolution of technology and its impact on society. He stressed the role of education in preparing students for the challenges and opportunities of the digital age.

Dr. T Pavan Kumar (HOD CSE): Dr. Pavan Kumar discussed the role of research and innovation in driving technological progress. He encouraged students to pursue projects and collaborations that push the boundaries of knowledge.
