

# SAMYAK 2024-2025

## Reference:

Letter received from Dr. A. Srinath, Dean-Skill Development & Student Progression.

Date: 04-10-2024 to 05-10-2024

## Introduction:

This report provides an overview of the KL University-wide event "Samyak 2024-25," scheduled to be held on **4th and 5th October, 2024**. This event is designed to offer a mix of academic and extracurricular activities to enrich the student experience. It is aimed at promoting **Social Immersive Learning (SIL)**, **Active Learning Methods (ALMs)**, multi-disciplinary collaboration, and **career-focused skill development**.

## Objectives of Samyak 2024-25:

- Engagement in Learning Beyond Classrooms:** Samyak will serve as a platform for students to participate in events that integrate their academic skills with real-world applications. This allows them to gain experiential learning, thereby contributing to overall academic and personal growth.
- Multi-disciplinary Collaboration:** Participation across various departments is encouraged to promote cross-disciplinary teamwork. The event fosters peer interaction and prepares students for **multi-disciplinary projects**, which are essential in today's collaborative work environment.
- Promoting Innovation through ALMs and SIL:**
  - **Active Learning Methods (ALMs)** and **Social Immersive Learning (SIL)** are emphasized to engage students in hands-on activities like **capstone project reviews**, **paper presentations**, and **technology club project demonstrations**. These methods enhance learning by encouraging students to apply theoretical knowledge practically.
- Career Development and Skill Building:**
  - The event encourages students to **present their research papers** and **demonstrate projects**, providing a platform for their academic and technological achievements. Such activities will enhance their **critical thinking, problem-solving, and communication skills**.
- Academic Grading and Attendance Policy:** Faculty are directed to ensure attendance is strictly monitored, and students participating in the events will be credited with academic attendance. This will not only motivate students but also ensure that they take these activities seriously as part of their academic progress.

## Organizational Details:

- **Inaugural and Gala Nights:**
  - The inaugural session will take place on **4th October 2024**, followed by **Gala Nights** on **4th and 5th October**. These evenings will feature a **DJ and Pro Show**, offering entertainment that balances the academic rigor with relaxation, promoting overall well-being.
- **Monitoring and Attendance:**
  - A **dedicated faculty team** from each department will be responsible for managing student attendance during the event days. This will ensure that students maintain an optimal balance between their classwork and event participation.
- **Encouragement for Participation:**
  - Heads of Departments (HoDs) and Principals are instructed to ensure that students are encouraged to actively engage in cross-departmental events, enhancing collaboration among peers from diverse fields.

## Event Highlights:

- **Capstone Project Reviews:** Students will showcase their **capstone projects**, providing them with an opportunity to present their work to faculty and peers. This activity will be evaluated for both **innovation** and **practical application**.
- **Paper Presentations:** Research-oriented students are encouraged to participate in **paper presentation sessions**, allowing them to gain valuable feedback and improve their academic performance.
- **Project Presentations by Technology Clubs:** Students from technology clubs will have a dedicated platform to **demonstrate projects**. This allows for peer-to-peer learning and inspires innovation within and across departments.

### **Impact on Students' Academic Journey:**

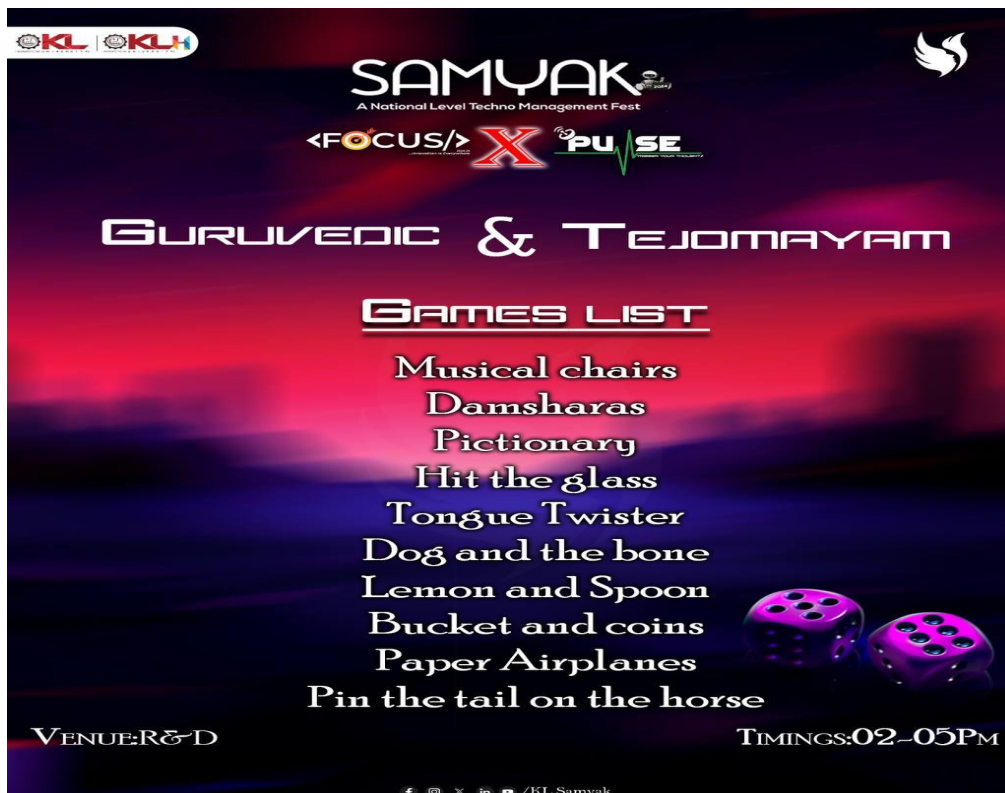

1. **Engaging Students Beyond Academics:**  
SAMYAK presents an opportunity for students to **learn by doing**. The integration of these activities into their academic curriculum adds value to their learning outcomes and promotes **holistic development**.
2. **Fostering Leadership and Teamwork:**  
By involving students in organizing and presenting projects, the event fosters leadership, teamwork, and a sense of responsibility.
3. **Skill Development:**  
Activities such as **project reviews** and **paper presentations** sharpen their technical skills, **communication**, and **critical thinking**, which are vital for their future career success.
4. **Attendance and Accountability:**  
By assigning attendance credits for participation, students will view these activities not merely as extracurricular but as an integral part of their academic journey. This policy will ensure greater student involvement.

### **Conclusion and Recommendations:**

**Samyak 2024-25** is set to be an enriching experience for students, offering them a platform for both academic and personal development. The university administration, faculty, and event organizers should ensure seamless execution of the event, proper monitoring of student participation, and the achievement of learning outcomes through active engagement.

#### Recommendations:

- Ensure **clear communication** of event objectives and participation guidelines to all students.
- Faculty members must take responsibility for **rigorous monitoring** of student attendance.
- Multi-disciplinary participation should be encouraged, and feedback on projects and presentations should be shared to **enhance the quality** of learning.
- Post-event, student performances should be **analyzed** to assess the effectiveness of the **SIL and ALM** methodologies incorporated.

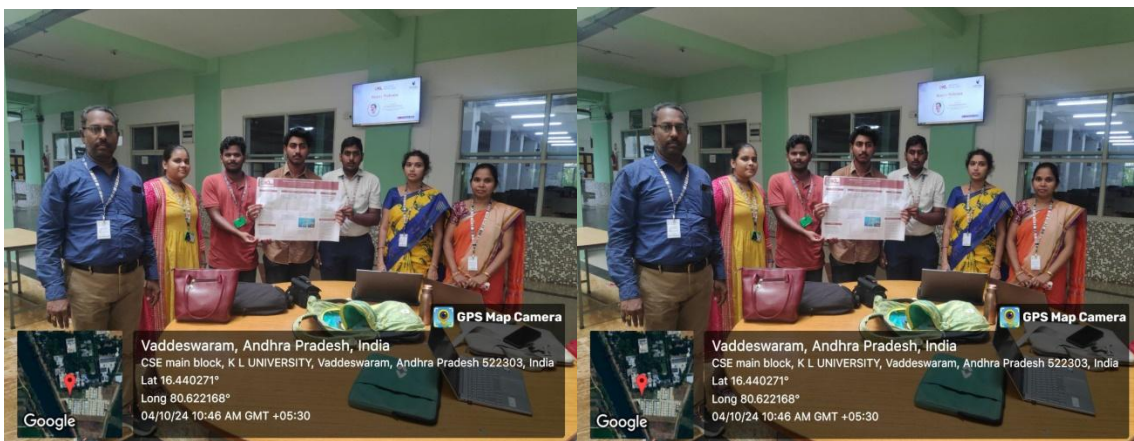

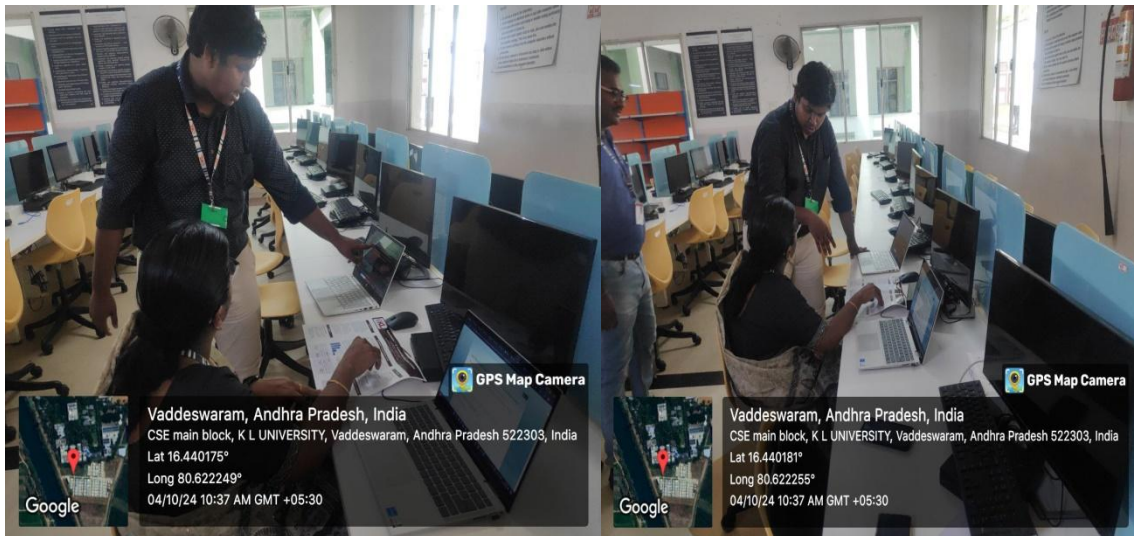

Samyak 2024-25 event is honoured with the presence of Hon'ble Chief Minister of Andhra Pradesh, Shri N. Chandrababu Naidu,

Poster presentation, showcasing students explaining their projects to our mentors.
