**Overview:** The Department of computer Science And Engineering organized a One-day hands-on workshop titled “Exploring Funding Opportunities and Research Proposal Writing” to provide participants with practical skills and advanced techniques in the domain of Funding Opportunities. This initiative was aimed at enhancing the students' competencies in the field of Research.

**Resource Person:** Dr. Arun Mehta, Associate Dean R&D–Sponsored Research, KLEF led the sessions. As an experienced professional in the field of Reserch, Mr. Arun Mehta brought invaluable insights and expertise to the participants, enriching their learning experience.

**Objective:** The workshop aimed to:

1. Equip Faculty with practical skills in identifying and mitigating potential Funding opportunities.
2. Provide advanced techniques in Fund allocation and response.
3. Strengthen the University's Research activities.

**Activities Conducted:** The workshop included hands-on sessions that covered various aspects of threat hunting, including but not limited to:

- Real-world various funding agencies.
- Analysis and mitigation strategies.
- Proactive Organizations identification using cutting-edge tools and methods.

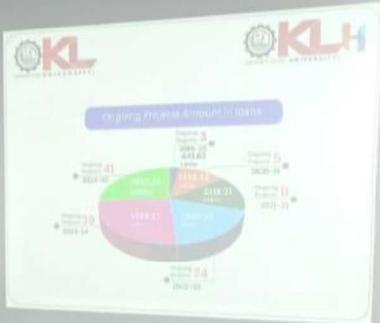

**Outcome:** Participants gained:

- knowledge on various funding agencies and challenges.
- An understanding of the practical challenges and solutions in various Research Domains.

- Enhanced awareness of Research Proposal Writing.

**Feedback:** The workshop received overwhelmingly positive feedback from participants, who appreciated the practical orientation and depth of knowledge shared by the resource person. Faculty expressed confidence in applying the skills learned in real-world scenarios.

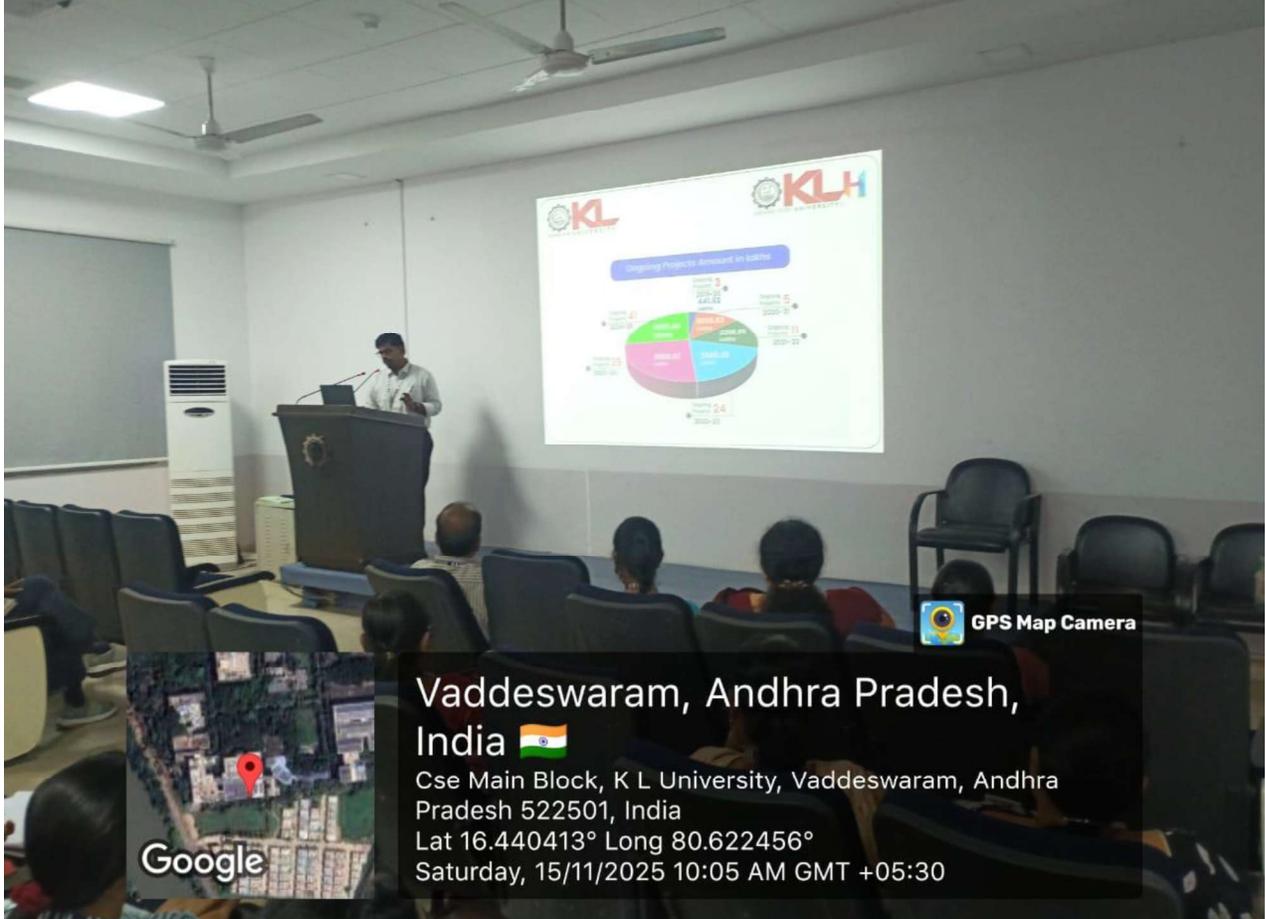

**Conclusion:** The Department of computer Science And Engineering successfully conducted the “Exploring Funding Opportunities and Research Proposal Writing” workshop, contributing significantly to the professional development of Faculty in the domain of Research and funding. This aligns with KLEF’s commitment to fostering technical excellence and industry readiness among its students.
