HOD - CSE

Dear Mr. Morla,

We are writing to express our sincere gratitude for your willingness to participate in the Professor of Practice Program at KLEF University. We are honored to have a Data Strategy Leader from Cognizant, UK, like yourself, share your expertise and industry knowledge with our CSE second-year students.

Your participation in this program will be an invaluable learning experience for our students. The Cloud Infrastructure and Services course is critical to their development, and your insights into the practical applications of cloud computing will be extremely beneficial.

We look forward to welcoming you to KLEF Vaddeswaram Campus and to a successful course delivery.

We believe that Professor of Practice programs like this foster valuable partnerships between academia and industry. We are confident that your visit to KLEF will be mutually beneficial, not only for our students but also for yourself. We are open to exploring potential avenues for future collaboration, such as guest lectures, research projects, or joint workshops.

Sincerely,

Ch.Sabitha
