guest lecture on “**Cyber Security**” was organized on **24th August 2025**, featuring **Mr. Sai Satish D**, a distinguished **Alumnus of MCA (2012-14)**. The session focused on the critical aspects of cyber security, addressing the growing threats in the digital era and the need for robust preventive measures. Mr. Sai Satish, drawing from his extensive professional experience, explained various types of cyberattacks, ethical hacking methodologies, and techniques for safeguarding data and digital assets. He also discussed the significance of developing secure systems, password protection, phishing awareness, and network security practices.

The session was highly interactive, with students engaging in discussions and gaining practical insights into real-world cyber incidents and their countermeasures. Mr. Sai Satish emphasized the importance of continuous learning and vigilance in maintaining cyber hygiene, along with the emerging career opportunities in cybersecurity. He motivated students to build skills in ethical hacking, risk assessment, and digital forensics. The lecture concluded with an interactive Q&A session, where students clarified their doubts and explored the latest advancements in the field. Overall, the event proved to be a valuable learning experience, enhancing participants’ awareness and understanding of cyber threats and protection strategies in today’s technology-driven world.
