

Report on Guest Lecture

Mr.Sudheer and Mr.Khan, working as Data Science Architect and Data Science Engineer respectively in IBM, Hyderabad. Delivered one day speak as Guest lecturers on **6th August 2019**, on the topic of “**Data Science**”.

They are discussed the following points in their lecturers.

- **Importance of Data Science**
- **Learning objectives**
- **Data Science skills**
- **Data collection and storage tools**
- **Opportunities in Data sciences**

Above points is very much useful for any computer engineer students for future development of Data Science in IT industry. From B.Tech III Year computer science and engineering section7 and section15 total 100 students are participated and they are very much thankful because they gained some knowledge about Data Science.
