DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING (CSE)

S.NO	Name of the conference	Year
1	International Conference On Web sciences (ICWS)	Jan 2009

The ICWS-09 Conference was conducted by CSI on 10th and 11th January 2009. The Conference was sponsored by KLCE. The Conference was planned in Oct 2007 and was advertised in CSI Journal. The convener of the conference was Dr. K. Raja Sekhara Rao, Dean of School of Computing,KLCE. In all 180 papers were received   from USA, Japan, Singapore Iran , Burma and Bangladesh apart from India. The papers were reviewed by a Team led by Prof P. Trimurthy, Advisor, Acharya Nagarjuna University and Prof. JKR Sastry of KLCE. 68 papers were selected. About 500 participants registered for the conference.

The ICWS -09 was inaugurated by The Chairman of KLCE Sri Koneru Satyanarayana. He complimented CSI for selecting 'Web Sciences', (the most leading edge technology) for deliberations in the conference. He further added that the papers   reflected research being conducted in the field by the faculty of the college and other academic and research institutions, and Industry. He was delighted that eminent personalities from   India and abroad are attending the conference. Prof P. Trimurthy Chaired the conference. He elaborated the theme of ICWS-09. The theme 'Web Sciences' covered the latest Web Technologies and their use in every field of research encompassing our society. He welcomed all the dignitaries, delegates and staff and students. Dr. LSS Reddy, Principal of the college and President of the Koneru chapter of CSI explained that KLCE is one of the Premier Educational Institutions of the country and is aiming towards raising the quality levels of the students. ICWS-09 is one such quality attempt. Dr. K. Rajasekhara Rao, convener of ICWS-09   has given details of ICWS-09 and the different streams Data warehousing and Data Mining, Network Security, Web Technologies, Embedded Systems, and Software Engineering that are addressed.

The Keynote address delivered by Sri P. V. Subramanym, Vice-President E – Centric Solutions Pvt. Ltd., Hyderabad on 'Deriving Commercial benefits from Web Services' was well received. The main Invited talk delivered by Prof. Mukkamala Srinivas from New Mexico Tech University. USA on ' Current Trends in Cyber Security ' was highly appreciated. The other invited talks were delivered by Prof. Manhar Chandwani, Director IET,DAVV ,Indore on 'current Trends in IT Industry' , Dr. S . Laxmi Narayana, Scientist 'F', National Institute of Oceanography Visakhapatnam on 'Patenting in TextMining' and Sri Koneru Srinivas ,USA on 'Industry Ready Engineer from the Institute'. Two other dignitaries Sri E. V. Prasad, Principal, JNTU Kakinada Dr. T. Sudha, Professor of CSE Padmavathi Mahila University, Tirupati, Sri Venkat, Director, Virtusa, Hyderabad and Prof ML.sai Kumar, Institute of Public Enterprise, Hyderabad attended the ICWS-09.

Technical Sessions were conducted in Parallel and Chaired by   Research Professors and Technologists.

SESSION	SESSION CHAIR
.Data Warehousing andd Data Mining	Prof. R.Satya Prasad, ANU
	Prof. M.L.Sai Kumar, Institute of Public Enterprise , Hyderabad
Network Security	Dr.T.Sudha, Padmavathi Mahila Univ.Tirupati
	Prof.Kuppu Swamy, Principal,KEC,TN
The Embedded Systems	Sri Venkat, Director,Virtusa Ltd
Software Engineering	Dr.S. Llaxmi Narayana Scientist 'F'
	National Institute of, Oceanography Visakhapatnam
WebTechnologies	Dr. T.Sudha Padmavathi Mahila Univ.Tirupati
