L&T Mindtree and ServiceNow in Industry

Date of the Event: 10.03.2023

VENUE: NSH

Organizing Department: Computer Science and Engineering

Event Description:

Objective:

The objective of the session was to provide students with insights into the operations and significance of L&T Mindtree and ServiceNow in the industry. Through presentations by industry experts, Mr. Sitha Raman and Ms. Triveni, students gained valuable knowledge about these companies and their roles in shaping the technology landscape.

Speakers:

Mr. Sitha Raman

Ms. Triveni

Introduction:

The session held on 15th February 2024 at the New Seminar Hall was organized by the Focus Official Student Body of Computer Science and Engineering (CSE) in collaboration with the Placements Team. The session aimed to shed light on the roles of L&T Mindtree and ServiceNow in the industry and provided valuable insights for students aspiring to enter these domains.

Key Highlights:

L&T Mindtree Overview:

Mr. Sitha Raman initiated the session by providing an overview of L&T Mindtree. He elaborated on the company's history, its services, and its position in the IT industry. Raman highlighted Mindtree's focus on digital transformation, innovation, and sustainability, which are crucial aspects in today's competitive market.

Career Opportunities at L&T Mindtree:

Raman discussed various career opportunities available at L&T Mindtree, ranging from software development to project management. He emphasized the importance of skill development and continuous learning for individuals aiming to excel in their careers at Mindtree.

ServiceNow in Industry:

Following Raman's presentation, Ms. Triveni delved into the significance of ServiceNow in the industry. She elucidated on how ServiceNow's platform enables organizations to streamline their operations, enhance service delivery, and improve overall efficiency.

Use Cases and Implementations:

Triveni provided real-world examples and use cases of ServiceNow implementations across different sectors such as IT service management, human resources, and customer service. This helped students grasp the practical applications of ServiceNow in diverse organizational settings.

Career Paths in ServiceNow:

Triveni outlined various career paths within the ServiceNow ecosystem, including roles such as ServiceNow developer, administrator, consultant, and architect. She highlighted the growing demand for skilled professionals in this field and the lucrative opportunities it presents for aspiring individuals.
