HACKER FIESTA

Date: 19-07-2022

Venue: C-525

Organizing Department: Computer Science and Engineering

DETAILS OF THE EVENT:

OBJECTIVE: The primary objective of this event was to organize a competition among participants to promote awareness and education on cyber security.

REPORT:

The event conducted was a unique blend of humour, technology, and cyber security, designed to engage enthusiasts and experts alike. It comprised two main activities:

1. Meme Contest: This was a creative platform where participants showcased their ability to merge humour and technology. They created a variety of memes with a cyber-security theme, demonstrating their understanding of the subject in a fun and engaging manner.
2. Cyber security Riddles: This was an intellectual challenge that tested participants' knowledge and problem-solving skills in various cyber security domains, including encryption, malware, and hacking.

OUTCOMES:

- The event successfully engaged both enthusiasts and experts in the field of cyber security.
- Participants demonstrated their creativity in the Meme Contest by blending humour and technology in cyber security-themed memes.
- The Cyber security Riddles allowed participants to apply their knowledge and Problem-solving skills in various domains such as encryption, malware, and hacking.
- Besides being an intellectual challenge, the event also provided entertainment to the Participants.
- The event served as an innovative approach to exploring and understanding Cyber security.
