International Conference on
Innovations in Electronics, Communication, Computing & Automation
ICIECCA – 2020
23rd to 25th November 2020
Koneru Lakshmaiah Education Foundation (Deemed to be University)
Vaddeswaram, Guntur (Dist.), A.P - India,
https://www.kluniversity.in/ece/ICIECCA-2020/

# List of Key Speakers-ICIECCA-2020

| S. No. | Photo | Name & Details | Country |
|---|---|---|---|
| 1 | | **Prof B Yegnanarayana Sir (Opening Keynote Speaker)**<br>**Affiliation:** Professor, IIIT Hyderabad<br>**Research areas:** Digital Signal Processing, Speech, Computer Vision and Neural Networks<br>**Email ID: yegna@iiit.ac.in** | India |
| 2 | | **Dr. Daniel Matthew**<br>**Affiliation:** Professor & Head of Department of Information and Communication Technologies at Asian Institute of Technology, School of Engineering and Technology (SET), Thailand<br>**Research areas:** Computer Vision, Machine Learning, Robotics, Software Engineering and Artificial Intelligence.<br>**Email ID:** dailey.mathew@gmail.com | Thailand |
| 3 | | **Dr. Albena Mihovska**<br>**Affiliation**: Professor in Department of Business Innovation and Technology, Arhus University, Denmark<br>**Research areas:** IoT, Long Term Evolution, biomedical communication, brain-computer interfaces, cognitive radio, neurophysiology, optimization, quality of service, radio spectrum management, radiofrequency identification, radiofrequency interference, wireless LAN, wireless sensor networks, 3G mobile communication, Internet, OFDM modulation, Rayleigh channels, access protocols, assisted living, backscatter, bio MEMS, bioelectric potentials, cellular radio, diseases, eigenvalues and Eigen functions<br>**Email ID:** amihovska@btech.au.dk | Denmark |
| 4 | | **Dr. Zdzislaw Polkowski**<br>**Affiliation**: Professor in Jan Wyzykowski University, Polkowice, Poland<br>**Research areas:** Management Information Systems, Business informatics, IT in business and administration, IT security, Small Medium Enterprises, CC, IoT, Big Data, BI, Blockchain<br>**Email ID:** z.polkowski@ujw.pl | Poland |

| | | | |
|---|---|---|---|
| 5 |  | **Dr. Akshay Kumar Rathore**<br>**Affiliation:** Professor, University of Concordia, Canada<br>**Research areas:** Power Electronics and Drives, High-frequency Power Conversion, Pulse-width Modulation Techniques, Soft-switching Techniques, Optimal Control of electrical Drives, Current-fed DC-DC Converters, Multilevel Inverters, Renewable Energy and Distributed Generation, Microgrid, Transportation Electrification, Marine Applications, Wireless Power Transfer, V2G and S2V systems.<br>**Email ID:** akshay.rathore@concordia.ca, akshay.k.rathore@ieee.org | Canada |
| 6 | | **Dr. Brajesh Kumar Kaushik**<br>Professor, ECE Department<br>**Affiliation: Indian Institute of Technology, Roorkee**<br>**Research areas:** High-speed interconnects; Emerging materials-based device circuit co-design; Optics & photonics-based devices and sensors; Image processing hardware; Spintronics-based devices and circuits; Quantum and Neuromorphic computing; Artificial Intelligence.<br>**Email ID:** brajesh.kaushik@ece.iitr.ac.in | India |
| 7 | | **Dr. Anil Vuppala**<br>**Affiliation:** Associate Professor, IIIT Hyderabad<br>**Research areas:** Speech recognition, Speaker recognition, Language identification, Speech processing in emotion conditions, Pathological speech processing and Speech to speech machine translation<br>**Email ID:** anil.vuppala@iiit.ac.in | India |
| 8 | | **Dr. Sivaprasad Kotamraju**<br>**Affiliation:** Assistant Professor, IIIT Sri City<br>**Research areas:** Compound semiconductors (III-V, IV-IV), thin films growth and characterization (electrical and optical), optoelectronics, power semiconductor devices and nanowires.<br>**Email ID:** siva.k@iiits.in | India |
