

List of Key Speakers-ICIECCA-2020

S. No.	Photo	Name & Details	Country
1		<p>Prof B Yegnanarayana Sir (Opening Keynote Speaker) Affiliation: Professor, IIIT Hyderabad Research areas: Digital Signal Processing, Speech, Computer Vision and Neural Networks Email ID: yegna@iiit.ac.in</p>	India
2		<p>Dr. Albena Mihovska Affiliation: Professor in Department of Business Innovation and Technology, Aarhus University, Denmark Research areas: IoT, Long Term Evolution, biomedical communication, brain-computer interfaces, cognitive radio, neurophysiology, optimization, quality of service, radio spectrum management, radiofrequency identification, radiofrequency interference, wireless LAN, wireless sensor networks, 3G mobile communication, Internet, OFDM modulation, Rayleigh channels, access protocols, assisted living, backscatter, bio MEMS, bioelectric potentials, cellular radio, diseases, eigenvalues and Eigen functions Email ID: amihovska@btech.au.dk</p>	Denmark
3		<p>Dr. Zdzislaw Polkowski Affiliation: Professor in Jan Wyzykowski University, Polkowice, Poland Research areas: Management Information Systems, Business informatics, IT in business and administration, IT security, Small Medium Enterprises, CC, IoT, Big Data, BI, Blockchain Email ID: z.polkowski@ujw.pl</p>	Poland
4		<p>Dr. Brajesh Kumar Kaushik Professor, ECE Department Affiliation: Indian Institute of Technology, Roorkee Research areas: High-speed interconnects; Emerging materials-based device circuit co-design; Optics & photonics-based devices and sensors; Image processing hardware; Spintronics-based devices and circuits; Quantum and Neuromorphic computing; Artificial Intelligence. Email ID: brajesh.kaushik@ece.iitr.ac.in</p>	India
5		<p>Dr. Anil Vuppala Affiliation: Associate Professor, IIIT Hyderabad Research areas: Speech recognition, Speaker recognition, Language identification, Speech processing in emotion conditions, Pathological speech processing and Speech to speech machine translation Email ID: anil.vuppala@iiit.ac.in</p>	India

6		<p>Dr. Sivaprasad Kotamraju Affiliation: Assistant Professor, IIIT Sri City Research areas: Compound semiconductors (III-V, IV-IV), thin films growth and characterization (electrical and optical), optoelectronics, power semiconductor devices and nanowires. Email ID: siva.k@iits.in</p>	India
