6. The grantee Institution shall observe all financial norms and guidelines as prescribed by the AICTE/Government of India from time to time. Grantee institution must follow GFR - 2017 guidelines amended from time to time by the Ministry of Finance in procuring the sanctioned items and maintain an audited record of assets acquired wholly or substantially out of the grant-in-aid and a register for assets shall be maintained by the Institute in the prescribed form i.e. GFR - 2017.
7. Interest accrued on the sanctioned grant-in-aid will be reported and will be adjusted against the subsequent installment.

IV. General Instructions:

1. If the Principal Investigator (PI) leaves within the first 6 months of the project, and there is no Co-PI / Competent faculty to complete the Project, the institution must refund the full grant to the All India Council for Technical Education within 30 days via RTGS, with no exceptions; delays will attract 10% annual interest. If the PI leaves between 6 months and 1 year, the institution must inform AICTE and seek approval to continue the project, which may be allowed if a capable Co-Investigator agrees in writing to take full responsibility. If the PI leaves after 1 year or goes on long leave, the Co-Investigator can continue the project with prior approval and necessary documentation, including consent (in case of leave), updated CV, and confirmation of responsibility.
2. In case the Principal Investigator leaves the Institute and there is no other associated Co-Investigator to carry out the project, the Head of the Department / Head of the Institution should take the responsibility for identifying a competent person in the Institution in the relevant subject area and submit his/her bio-data to the Council for further consideration.
3. All intellectual property (IP) created during the project using Council funding—such as patents, software, designs, or databases—will be jointly owned by the PI (and Co-PIs) and the institution, unless agreed otherwise in writing. Both parties have equal rights to use, license, or commercialize the IP. If a patent is to be filed, the other party must be informed within 15 days, and filing must first be done in India before considering international protection. The All India Council for Technical Education must be acknowledged in all IP-related documents and commercial outputs. Any commercialization, licensing, or technology transfer must be reported to the Council within 30 days. While AICTE can use the research for academic and promotional purposes, it cannot commercialize the IP without permission. Revenue from commercialization will be shared among stakeholders as per a separate agreement. All publications must acknowledge funding from the All India Council for Technical Education under the RPS scheme and include proper funding disclosure, failing which it is considered misconduct.
4. The grant shall be utilized strictly for the purpose as specified in the sanction letter. Re-appropriation of funds from one Head to another is strictly not permitted viz. Recurring and non-recurring Heads. Further, the equipment(s)/item(s) purchased should be as per the specifications and individual item-wise costs sanctioned by AICTE, and not taking the total grant sanctioned as one entity.

Item-wise purchase cost shall be matched with the sanctioned cost, and the cost of item purchased below the sanction cost shall be restricted as actual cost. If the item purchase cost is higher than its sanctioned cost, the cost shall be restricted to the sanctioned cost and the additional amount shall be met by the Institute from its own resources.

5. Similarly, the recurring grant cannot be used for the items (non-recurring) sanctioned by the AICTE. **No money be used for going abroad to attend Conference / seminars/ other activities using this fund.** However, for presenting a Paper in a Seminar / Conference related to this sanctioned research project **within the country**, the travel expenses may be met from the recurring grant.
6. No request for additional grant over and above the sanctioned grant shall be considered by the AICTE. The additional amount, if any, expended beyond the sanctioned grant shall be met by the Institute from its own resources.
7. The institute/University shall **not charge any overheads** on this Project and will provide all the administrative support **and timely release of grant to PI** for completion of the Project.
8. All assets purchased under the grant—such as equipment, books, and software—belong to the institution, not the PI, and cannot be used personally or taken when the PI leaves. The institution must maintain a detailed and regularly updated asset register (GFR-2017) including purchase, location, condition, and maintenance details. While the PI acts as custodian during the project, the institution is responsible for safe storage, security, insurance, and proper research use. All India Council for Technical Education has the right to inspect, verify, or take action if assets are misused or idle. If any asset becomes obsolete or non-functional, proper approval is required for disposal, and any sale proceeds must be returned to AICTE. After project completion, assets may be used for research or teaching but cannot be sold, transferred, or left unused. If the PI leaves, all assets must be formally handed over in working condition to the concerned Institute. For accounting, assets are depreciated using the straight-line method over 5–10 years as per Ind-AS (Indian Accounting Standards).
9. The assets acquired wholly or substantially out of All India Council for Technical Education's grant shall not be disposed for which the Grant was given without proper sanction of the All India Council for Technical Education.
10. Each project sanctioned by AICTE is assigned a specific Reference Number, which is given on pre-page. All correspondence address to AICTE regarding the project must quote this number along with year of sanction of the project, otherwise correspondence may not be entertained.
11. Institute shall ensure to achieve project outcome in accordance of Research Promotion Scheme Objectives such as Products, Start-up, Patents, Technology transfer, publication and etc.
12. In case project will not complete in stipulated time. The Institute will complete the project from its own fund to achieve desired outcomes.
