### **A Report on Nature Photography Contest** **Conducted on 06-04-2022 (Online)**

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Electronics and Communication Engineering (ECE), National Service Scheme (NSS) has conducted “**Online Nature photography Contest**” on 06-10-2022.

In the view of increasing creativity and Skills Set in the students, KLEF NSS Unit-08 came up with an innovative idea of conducting an Online Nature photography Contest. Nature photography tends to put a stronger emphasis on the aesthetic value of the photo than other photography genres, such as photojournalism and documentary photography.

The team has arranged all the necessary information for implementing this event (poster, Draft, and forms etc.). On 06-04-2022, The poster has been launched by Dr. M. Suman (Head of the Department, ECE) and by the dignitaries of our department. We have floated a google form to the participants such that they can upload their pictures in that. We have provided a day for submitting the responses from the participants. Winner and Runner were decided depending upon the number of like they got for their Photograph. Winner and Runner are awarded with the Appreciation certificate. And all the participants are awarded with participation certificates.

Dr.Ch.Hanumanth Rao(Dean Student Affairs) presided over the event and has appreciated the innovative idea of the NSS Volunteers. Dr.K.R.S. Prasad (Advisor Student Affairs) supported and stated that this type of events will increase the photography skills in students. Dr.Habhibulla Khan(Advisor Student Affairs) encouraged and stated that this type of events will help in overall development of the students in successful implementation of this event.
