Report on Women's Connect Programme

Conducted by

ECM Women's forum on 2nd March, 2017

KLU ECM Women's forum conducted an interactive session between the II, III year, IV year B. Tech and I M. Tech Girl students on the topic of "**Women Connect**" with the all Women Faculty and Staff of ECM Department on the following themes.

1. Women as entrepreneurs
2. Women's role in community development through Reach one and teach one
3. Women's Education and career
4. Women emotional Intelligence
5. Women- social media protection

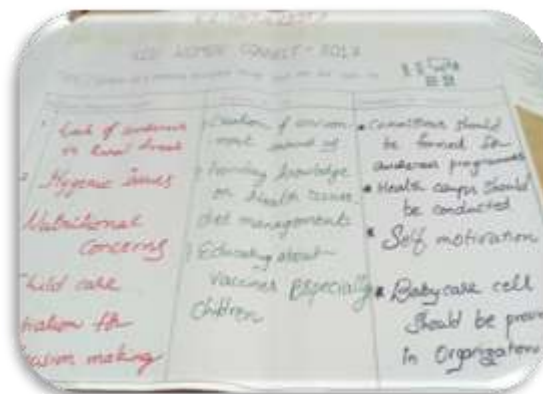

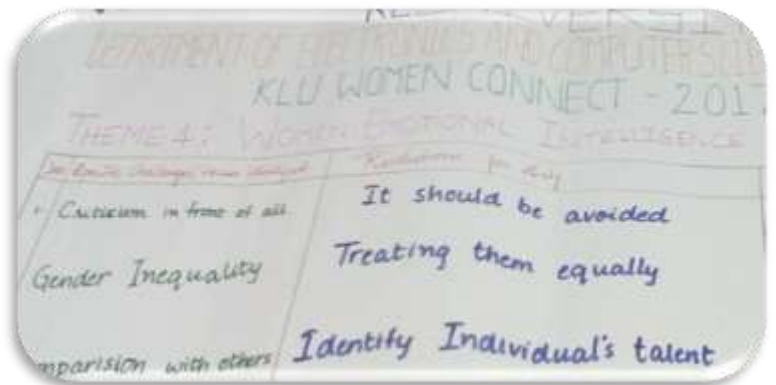

In this session Students are exchanged their ideas and emotions on the above themes some of them are:

- Self defense techniques are the first and foremost thing to which each and every woman must be aware of and get proper self-defense training for their safety. They must be aware of some effective defense techniques such as kicks to groin, blocking punches, etc.
- Generally most of the women are gifted with sixth sense which they must use whenever they become in some problem. They should at once avoid any situation which they feel bad for them.
- Women must understand and feel their physical power and use accordingly. They never feel themselves weak than men and take some self defense training.
- They should be careful while communicating with someone on internet in the cyberspace.
- They must have all the emergency numbers with them and whatsapp also if possible so that they can immediately tell to their family members and police.
- Women should be very conscious while driving the car and going to any trip. They must lock all the doors of car while travelling with own or private car.

All II, III, IV year B. Tech, I M. Tech Girl students, Women faculty and non-teaching staff of the department have actively participated in this programme.
