Report on CEA Activity

Convergence of Electricity

Conducted on
11th July 2017

KLU- CEA organized Convergence of Electricity campaign to the school students, to create the awareness of reducing the power usage electricity in their homes. A group of 20 students from ECSE Department has participated in the event. The Activity took place in Don Bosco School in Mangalagiri on 11th July 2017. CEA volunteers explained about in how many the electricity is generated and how it is transferred to their homes. The volunteers have given suggestion to the school student in what ways they can reduce the power consumption their home which can also reduce the bills .

- Make a habit of turning off all lights and electronics in your home
- Set your computer to sleep and avoid using screen savers
- **Use your household appliances efficiently.**
- **Ensure your home is draught proof**
- Install compact fluorescent light bulbs or LED's
- Unplug the electronic devices when not in use

Volunteers distributed the forms to the students and asked them to record the reading of the electric meters for coming three months by following the above steps. And suggested them observe the difference.
