Department of Electronics & Computer Engineering

Report on CEA Activity

Distribution of Arsenicum album 30

Conducted on

29th July 2020

The AYUSH ministry issued a health advisory and recommended that homeopathic and unani medicines could be effective in the prevention of novel coronavirus (nCoV) infections.

The advisory was issued following a meeting of the scientific advisory board of the Central Council for Research in Homoeopathy (CCRH) under the Ministry of AYUSH to discuss ways and means for prevention of the nCoV infection through homoeopathy, the ministry said in a statement.

It has recommended that homoeopathic medicine **Arsenicum album 30** could be taken empty stomach daily for three days as a prophylactic medicine against the infection.

Arsenicum album 30 is Distributed to all the faculty members of the department and to other departments of the university. The HoD of the Department Dr. M.S.G Prasad, Professor Dr. J.K.R Sastry, Professor Chandra Prakash Distributed to the faculty members. Also given the guidelines of medicine usage.
