Report on NSS Activity

FREE MEDICAL CAMP

Conducted on

2nd January 2018

ECSE department NSS cell has organized "FREE MEDICAL CAMP" on 2nd January 2018 for school children in Ippatam government primary school, Tadepalli Mandal. A group of 20 NSS volunteers, faculty in charge P. Gopi krishna, K L E F in house doctor Dr. B. Vidya Sagar, Nurse Padmaja, Program Co- Ordinators K Sripath Roy and Assoc. Dean K Ravindranath participated in the event.

The proverb says that health is wealth. It is truly said that of all things in the world health is the most valuable that one can possess. Money is no doubt a pleasant thing. However, it can give no pleasure to a man of ruined health. As body and mind are closely connected, the mind cannot be sound and cheerful without sound health.

Its main purpose was to maintain proper health in the children. 32 children are examined.

Physical examination and medical check up is conducted to the children by Dr. B. Vidya Sagar and identified Common problems included worms, vitamin deficiency, calcium deficiency, fever, cold and cough, tonsillitis, headache, dental, eyes and ears related and diarrhea.

Free medicines are given to the children according to the doctor's prescription.

At the end of the camp doctor advised to the children to clean their hands before eating food and to be hygienic, and given tips for Hygiene Habits for Good Health: Pure and boiled water, Balanced and Nutritious food, Cleanliness, Eye care, Regular exercise, Pure air, Proper sleep.

A regulated life is very helpful to a sound health. Above all, the mind too, must be kept clean and pure.

Volunteers participated actively and interacted with the school children.
