

# Department of Electronics and Computer Engineering K L University Guest Lecture on INTELLIGENT ROBOTIC SYSTEMS

The **DEPARTMENT OF ELECTRONICS AND COMPUTER ENGINEERING (ECM)** K.L.University, Vaddeswaram organized an expert lecture on **INTELLIGENT ROBOTIC SYSTEMS** on 18-9-2015. The resource person **Dr. J Ravi Kumar**, NIT Warangal told that, there are lot of opportunities for electronics engineers in fields of VLSI, Embedded Systems, Networking and Signal processing and how a student can select a particular company for the carrier. He further explained the students that the microcontrollers play an important role in making the robots intelligent, and hence the students must understand the functionality and programming of the microcontrollers. He also demonstrated the students on programming of the different types of robots with AVR microcontrollers.

Dr. M.Suman, HOD-ECM department, Dr. K.Sreenivasa Ravi Professor & Program Coordinator and faculty of ECM attended the guest lecture and Honorable Chancellor of the University Dr. M.Rama Murthy, Vice chancellor- Dr. L.S.S. Reddy, Pro-Vice chancellor Dr. A.V.S. Prasad, Principal- Dr. Anand Kumar, Dean (R&D)- Dr. K. L. Narayana garu, Dean Student Affairs, Dr. Habibullah Khan, Dean Academic Prof. N. Venkatram conveyed their best wishes.

**Dr. K.Sreenivasa Ravi**  
(Guest Lecture I/C)

**Dr. M.Suman**  
(HOD-ECM)
