**SPECIAL SESSION ON**  
**STUDENT START-UP**  
**INCUBATION IN UNIVERSITY**

**28<sup>th</sup> September 2021**  
**@ 8 PM to 9 PM**

Organized by  
**KL, Deemed to be University**

**Mr. Ambula Gopiraja**

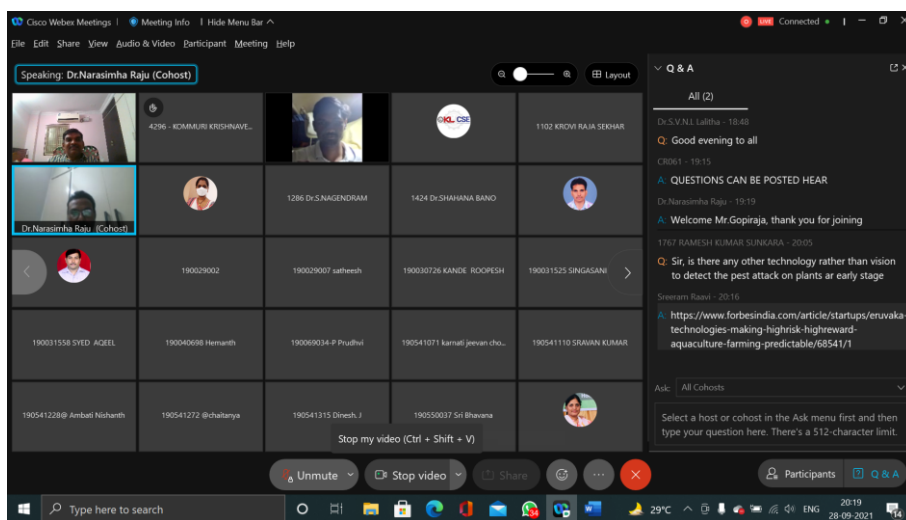

**Brief profile**  
Chief Executive Officer @Fopple drone tech pvt.ltd.  
Co-Founder  
FOPPLE DRONE TECH PVT.LTD. manufacture agricultural spraying drones since Jun '16 - Present (7 years 2 months)  
Gopiraja has obtained his B.Tech degree in Electrical Engineering from KL University, Vijayawada.

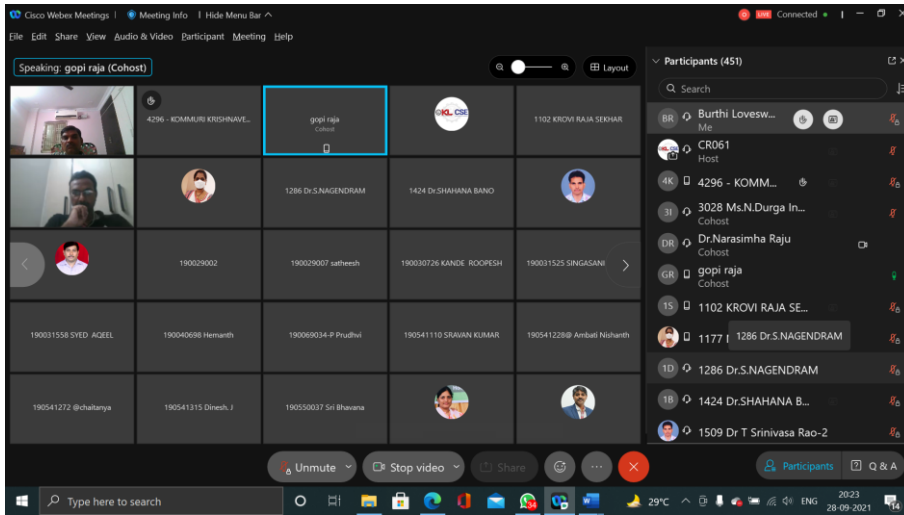

**Salient Features of Startup:**

- we build india's biggest spraying drone 20liters capacity drone. It can spray 30 acres of land per day. normally farmers can spray only for 5 to 6 acres.
- for this innovation, He received Maruthu Rythunestham puraskaram from honorable vice president of India in 2019.
- He received the best start-up of the award from NIRDPH 2019.

As a part of design thinking and innovation-2 course, K L University planning some guest lectures given by our prominent Alumni. Then coordinator Dr. K. Narsimha raju , introduce the resource person. The resource person Mr. **AMBULA GOPI RAJA** studied B.Tech in Electrical and Electronics Engineering, K L University. His roll number is 14006006. The resource person highlighted the various possibilities to startup the industries for electrical engineers. All possible interfacing techniques and corresponding methods are taken up. The

session has enlightened participants on real picture of **Fopple Drone Tech Private Limited (Agriculture & Allied Activities)**. After that question-and-answer session is taken up for 20 minutes. Present second year students interacting **AMBULA GOPI RAJA** and clarified their doubts. Almost 1200 students and 120 faculty members are attended this guest lecture. Dean academics, KL University wishes the resource person.
