### **Swachh Bharat (Clean and Green) Programme**

Date: January 26, 2026

Location: Pedakonduru-Village

Organized by: KL EEE Students and SAC

On the auspicious occasion of **Republic Day**, as part of the **Smart Village Revaluation Program**, the **Department of Electrical and Electronics Engineering (EEE)** in association with the **Student Activity Center (SAC), KL Deemed to be University**, organized a social service activity titled **“Swachh Bharat – Clean and Green”** at **Pedakonduru Village**.

The primary objective of the program was to promote cleanliness, environmental awareness, and social responsibility among students while contributing to the development of the adopted village. Faculty members and students actively participated in the cleanliness drive by removing waste materials, cleaning public areas, and spreading awareness about maintaining hygiene and a pollution-free environment.

During the activity, participants emphasized the importance of sanitation, proper waste disposal, and plantation for a greener ecosystem. The initiative not only supported the national mission of Swachh Bharat but also strengthened the bond between the university and the local community.

The event witnessed enthusiastic involvement from both faculty and students, reflecting their commitment towards social responsibility and sustainable development. The program concluded successfully with positive feedback from the villagers and a renewed commitment to continue such community-oriented initiatives in the future.

Faculty members and students actively participated in the cleanliness drive by cleaning public areas, removing waste materials, and spreading awareness about hygiene and environmental protection.

Dr. S. Ravi Teja, Dr. K. Sarada, Dr. B. Loveswara Rao, and SAC mentors actively participated in the program along with the students. Their guidance and leadership motivated the students to take active responsibility and work enthusiastically throughout the event. Participants highlighted the importance of sanitation, proper waste management, and maintaining a clean and green environment. The initiative supported the national mission of Swachh Bharat and strengthened the relationship between the university and the local community. The program concluded successfully with appreciation from the villagers and a collective commitment to continue such meaningful community service activities in the future.
