

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

K L E F

(Koneru Lakshmaiah Education Foundation)

Deemed to be University Estd. u/s 3 of UGC Act. 1956

Accredited by NAAC as 'A++' Grade University ❖ Approved by AICTE ❖ ISO 9001-2008 Certified

Green Fields, Vaddeswaram, Guntur District, Pincode : 522 502, Andhra Pradesh., INDIA

Phones: 0863-2399999 FAX: 0863-2388999

Date: 12-02-19

Awareness on Energy Conservation :

As a part of Extension Activity our KLU CEA EEE department conducted Awareness on “Energy Conservation Event ” in Athmakur Village on 12-02-19. The event is organized by 22 student volunteers along with 4 faculties. The Student volunteers are formed as 3 groups and explained the energy conservation significance procedure, importance of energy audit in every home so that they will come to know how much energy consuming daily, monthly and annually at a home. They also explained the results of energy audit like where energy is wasted and where it can be saved. Student volunteers educated the 8th standard school children at ZPHS athmakur.

Students have actively participated in discussion and interacted effectively with the mentors. They shared their views over the conservation of electricity.

Traffic Awareness Campaign:

As a part of Extension Activity our KLU CEA EEE department conducted Awareness on "Traffic Rules " at main road to K L E F deemed to be university near the bridge of Vaddeswaram Village on 19-02-19. The event is organized by 49 student volunteers along with 3 faculty. The Main theme of the awareness is to educate and encourage the tripple riders to follow safety rules. Students gathered during the peak traffic hour of the university assembled at vaddeswaram barrage by 8 20am.

Fig: Tripple Riders were STOPPED & Provided with alternative transport till campus

Fig: MOTTO of the campaign- "ROAD SAFETY IS YOUR SAFETY"

Students Volunteers actively participated to make the theme success by using pluck cards and slogans. The campaign on road safety went till the crowd reduced. During the campaign few volunteer groups identified tripple riders , stopped them to request not to move further with 3 riders by suggesting to use alternative mode of transport. Few student volunteers used their bikes to drop such excess persons on two wheelers. Students thanked those for making use of the provision made by them in the form of sharing a chocolate as a token of SAFETY REMEMBERNCE.
