As a part of Extension Activity through the EEE department for the month of august the first initiated activity took place at "CHIGURU" bala bhavan , venkatapalem. It is situated at the bank of krishna river 4km from the barrage with a pleasant environment. The children residential home has 40 + chidren of age from 5 to 10 years, most of them were abandoned from parents and relatives. The CHIGURU home at most interest to nurture the preliminary skills to make them educational ready. On 6th Aug 2019,EEE department students and staff reached the campus by 11am over a bus , took plant and stationary needs for the children home, students collected their saved amount for donation of stationary like books 1 to 5th stadard, drawing books, pencils chalk pieces etc. The home warden and Miss Kimari garu felt happy to see our students . Our student volunteers interacted with teachers and children spend some valuable time. home care taker expressed their interest to have us as mentor for activity based works . We felt warmed to see the happiness in children faces. We expressed our willingness to plan activities for student knowledge improvement.
