

Teachers' Day Celebration and Tribute to Dr. Sarvepalli Radhakrishnan

Date: 05-09-2025

The Department of Electrical and Electronics Engineering organized a tribute event to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan, a distinguished scholar, philosopher, and former President of India. His birthday, celebrated nationwide as Teachers' Day on September 5, honors his remarkable contribution to education and his deep reverence for the teaching profession.

During the event, faculty and staff of the EEE Department paid their heartfelt tributes to Dr. Radhakrishnan, reflecting on his vision that education is the cornerstone of a progressive society. The celebration served as a moment to express gratitude to all teachers for their unwavering commitment to nurturing knowledge, values, and innovation among students.

The department extended warm wishes to all teachers on this special occasion.

Happy Teachers' Day!
