3. **Rice University Openstax:** This OER is a part of Rice University with the mission to improve educational access and learning for everyone. Openly licensed books, developing and improving research-based courseware, establishing partnerships with educational resource companies, and more are part of it.

URL: <https://openstax.org/subjects>

S.no.	Name of the Topic	URL
1	College-success	Subjects (openstax.org)
2	Essentials	https://openstax.org/subjects/essentials
3	Business	https://openstax.org/subjects/business
4	Social sciences	https://openstax.org/subjects/social-sciences
5	Humanities	https://openstax.org/subjects/humanities
6	Science	https://openstax.org/subjects/science
7	Maths	https://openstax.org/subjects/math

4. **e-Campus Ontario:** It is a provincially funded non-profit organization that leads a consortium of the province's publicly funded colleges, universities, and indigenous institutes to develop and test online learning tools to advance the use of education technology and digital learning environments.

URL: <https://www.ecampusontario.ca>

5. **Skills Commons:** This OER is to accelerate the democratization of education for all through open educational services and resources enabling individuals, communities, educational institutions, organizations, and businesses to prepare people for successful employment in the 21st Century.

URL: <https://www.skillscommons.org>

6. **Libre Texts:** The objective of this platform is to unite students, faculty, and scholars in a co-operative effort to develop an easy-to-use online platform for the construction, customization, and dissemination of open educational resources (OER) to reduce the burdens of unreasonable textbook costs to our students and society.

URL: <https://libretexts.org/index.html>

S.no.	Name of the Topic	URL
1	Biology	Home - Biology LibreTexts
2	Business	Home - Business LibreTexts
