“The Role of Critical Thinking and Reasoning (CRT) in Enhancing Placement Opportunities” by P.Vinya Tejaswini

P.Vinya Tejaswini emphasized that CRT is a valuable skill that can benefit individuals in various ways, especially in placements, by:

- Enhancing problem-solving abilities
- Improving decision-making skills
- Boosting analytical thinking
- Developing effective communication
- Increasing adaptability and creativity

By emphasizing CRT in placements, she opined that individuals can demonstrate their ability to think critically and approach challenges in a logical and methodical way, making them more attractive to potential employers.

Students felt that the session was Beneficial and insightful.

Dear Ms.P. Vinya Tejaswini

I wanted to express our sincere gratitude for your remarkable guest lecture at KLU. Your willingness to share your expertise and time is truly admirable. The insights you provided during the session were incredibly valuable, and our students were captivated by your perspective. Your commitment to our alma mater's growth is heartwarming and exemplifies the spirit of giving back.

Your session not only enriched our students' learning but also solidified the bond between our alumni and the university. Your dedication is truly inspiring, and your presence has left a lasting impact on both faculty and students alike.

As we navigate the ever-evolving landscape of education, your contribution plays a vital role in shaping the minds of future generations. Your support in nurturing young talent is deeply appreciated.

Once again, thank you for your generosity in sparing your time and expertise. We look forward to more opportunities for collaboration and shared growth in the future.

Warm regards,

Dr. A. Udaya Shankar
