

Niti Aayog Central Government of India: Supporting Innovation in Mushroom-Based Products

We are excited to announce that Niti Aayog has granted ₹2 lakh to support the research and development of an innovative startup focusing on mushroom-added products. This initiative marks Phase 1 of our commitment to fostering sustainable and health-oriented entrepreneurship. We look forward to the groundbreaking advancements this startup will bring to the market!

STUDENT ACHIEVEMENT

Hearty Congratulations 🌸.

Ms C. Mounika Yadav was selected as CIF at ICIC KL start-up foundation, Niti Aayog Central government of India. Her startup idea is regarding mushroom-added products. The government granted 2Lakh for research and development for phase 1. She is one among 33 CIFs selected all around India.

Ms. C. Mounika Yadav
