# Career opportunities for Budding Managers" by Prazwal Kranth

Mr. Prazwal has discussed career opportunities in various sectors. He emphasized the importance of ERP packages and encouraged the students to go for global certification programs. He also discussed the various opportunities in Finance and the skills required to get the best opportunities in that area. He asked students to focus more on practicality to implement the theory. Asked to participate in roleplays, debates, case studies, management meetings, etc. He enlightened the importance of the internship program and it paves the way to get higher packages.
