We are thrilled to announce that the Department of MBA is organizing EXpatica on 5th April 2019, an exciting event filled with engaging sessions for students and faculty alike. This year, Expatica consists of two parts: Technical and Non-Technical sessions, designed to cater to a wide range of interests and skill sets.

In the Technical sessions, participants can delve into core management topics such as FINSIGHT (Finance event), MATTER MIND (Marketing event), Boss Rush (Young manager), Hunky Brains (Quiz), Pioneers path (Best startup), PRAYAS TOWARDS EXCELLANCE. These sessions will not only broaden your knowledge but also provide practical insights into the world of management.

We cordially invite all students and faculty members to join us in this enriching experience. By participating in EXpatica, you will have the opportunity to network, learn, and enjoy a memorable day filled with knowledge, fun, and camaraderie. Description of the Event

Expatica is a national-level management fest, which hosts a confluence of students from all over the nation. It is being conducted for the very first time in Andhra Pradesh and its footfall is around 5000 students. This provides an avid opportunity for students to show their talents in technical events, non-technical events, and spot events. Filled with colors, painting the skies with fun and frolic, this one-day fest drives home lessons of social responsibility apart from managerial knowledge. This fest is one of those rarest opportunities for all the upcoming entrepreneurs to show and improve their knowledge. Now this upcoming fest is all set to enthrall and captivate with its prominence.

There were two parts under Expatica and they were Technical and non-technical sessions. Technical sessions are related to core management topics in particular FINSIGHT (Finance event), MATTER MIND (Marketing event), Boss Rush (Young manager), Hunky Brains (Quiz), Pioneers path (Best startup), PRAYAS TOWARDS EXCELLANCE.

Under non-technical sessions, the events conducted were Break the Code, Mock CID, Mad Adds, Ship Wreck, and Turn coat.
