Description of the Event

The National Conference on Fintech - Opportunities and Challenges, organized by the Department of MBA, aims to bring together experts, academicians, and professionals from various fields to engage in thought-provoking discussions on the latest trends and future prospects of Financial Technology (Fintech). Scheduled for 10th September 2018, this conference serves as a platform for knowledge sharing, idea exchange, and networking opportunities.

Throughout the event, attendees will have the chance to learn from eminent speakers who will deliver informative sessions, providing insights into the ever-evolving Fintech landscape. Additionally, panel discussions will be held to explore the challenges and opportunities that come with the rapid growth of Fintech, fostering a comprehensive understanding of the industry's complexities and potential.

A key highlight of the conference will be the exhibition showcasing innovative Fintech products and services. This will provide participants with an opportunity to explore cutting-edge solutions and technologies that are transforming the financial sector.

To secure your participation in this enriching event, it is mandatory to register with your personal details and pay the specified registration fees. The conference aims to promote a deeper understanding of Fintech among participants, enabling them to contribute to the growth and development of this dynamic industry.
