(Deemed to be University)

Description of the Program

The Industry Connect Program for MBA students is a specialized initiative designed to bridge the gap between academic learning and industry requirements. This program offers students the opportunity to gain real-world insights, practical skills, and industry knowledge through various activities such as guest lectures, workshops, industry visits, and internships.

The program aims to enhance students' understanding of the corporate world, build their professional network, and prepare them for successful careers in their chosen fields. By participating in the Industry Connect Program, students can develop key skills like problem-solving, communication, leadership, and teamwork, making them more competitive in the job market.

Overall, the Industry Connect Program is a valuable addition to the MBA curriculum, providing students with valuable experiences and exposure that can significantly enhance their career prospects.
