On October 10, 2026, sixty students from the I BBA program, accompanied by faculty members Dr. Venkateswarlu Chandu and Dr. Madhu Latha, participated in an industrial visit to Patanjali Foods Limited (formerly known as Ruchi Soya Industries Limited) at Ampapuram near Hanuman Junction. Organized by the Department of BBA, the visit aimed to enhance students' organizational skills by providing direct insight into a real working environment and helping them understand core industry functions. During the tour, the cohort explored key departments across the facility, including Production, Marketing, Human Resources, R&D, and Finance. The students engaged with key resource persons—including General Manager K. Venkata Reddy and HR Manager G. Chandra Sekhara Rao—to learn firsthand about the company’s comprehensive production processes and strategic marketing initiatives. Through these interactions, they gained valuable exposure to one of India's leading FMCG companies, renowned for its integrated "farm-to-fork" edible oil supply chain, pioneering role in soya foods, and extensive palm plantation operations. A good opportunity to interact with the industry experts.
