Department of Mechanical Engineering

A.Y 2023-2024, Even Semester

Alumni Guest Lecture Report

In view of alumni activities, Department of Mechanical Engineering conducted an Alumni Guest Lecture with **Mr. Mukkamala Praveen (98IP246) of Y98 batch B.Tech in Industrial and Production Engineering, present working as Estimation Manager, Polar Racking Inc., Canada, on 21-02-2024**. He gave continuous lecture from 02:45 P.M to 3:30 P.M on the topic **“Advancements in Industrial Sector”**. In off-line mode, he has given presentation in room no. M004 in which 115 participants of B.Tech II and III Year ME department was participated.

He has discussed about the upgradation of industries from steam powered lathe machines to present 4th generation CNC lathe machines and also the contribution of Mechanical engineers in the products we use in daily life. He motivated students to take up their career in Core Mechanical Industries, by sharing his experiences and examples. He explained students about the need of Managers in Core Industries, who have a large skillset and minimal experience in industrial atmosphere, He has delivered a good example through comparison of Upskilled Core Engineer and Reskilled Cross Engineer, and their future Development in Industry. He Enlighted us by comparing nature to Mechanical field, saying that this field has evolved from the nature and experiencing nature would teach us basic Principles of the subject, which also includes academic knowledge.
