Department of Mechanical Engineering

A.Y 2025-2026, Even Semester

Alumni Meet Report

The Alumni Relations Cell organized a **Cluster-Based Reunion** of the **Mighty Mechanical Alumni batch of B.Tech Mechanical Engineering (2012–2016 Batch)** and **Alumni Silver Jubilee of Class of 1996-2000 TME Batch** at the New Seminar Hall, KLEF, Vaddeswaram, on **21st February 2026**. The event witnessed an enthusiastic participation of nearly 80 alumni members who gathered to reconnect with their alma mater, faculty, and fellow classmates.

The reunion served as a vibrant platform to relive cherished memories, share professional achievements, and strengthen the bond between the institution and its alumni network. Faculty members warmly welcomed the alumni and highlighted the department's recent developments, academic advancements, research initiatives, and infrastructure enhancements. Alumni participants introduced themselves and shared their career journeys, industry experiences, entrepreneurial ventures, and valuable insights with current faculty members.

The visiting alumni also toured the Mechanical Engineering Department laboratories, classrooms, workshops, and newly established facilities, expressing appreciation for the growth and modernization of the department. The interactive session encouraged discussions on industry-institute collaboration, mentorship opportunities, internships, and placements for present students. The event concluded on a nostalgic and joyful note, reinforcing lifelong connections and reaffirming the commitment of alumni to contribute to the continued progress and excellence of the Department of Mechanical Engineering.

During the reunion, the alumni also visited the Head of the Department's room, where they had a cordial interaction with the HoD and faculty members. They shared their professional experiences, expressed gratitude for the guidance received during their student days, and discussed the department's progress. The HoD appreciated their achievements and encouraged continued engagement through mentoring, guest lectures, and collaborative initiatives to strengthen alumni-department relations.
