Department of Mechanical Engineering

A.Y 2025-2026, Even Semester

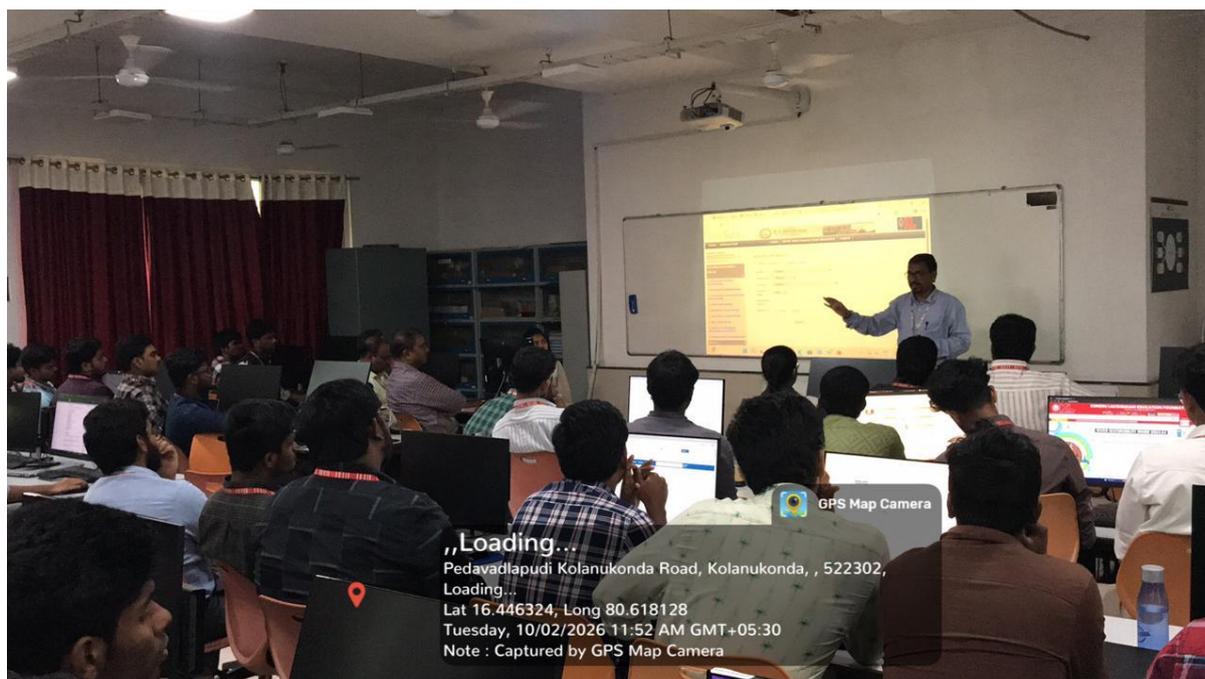

Report on Orientation Programme on Library Resources and Services

An **Orientation Programme on Library Resources and Services** was conducted for **B.Tech 3rd Year Mechanical Engineering** students by **Dr. R. K. Kishore Patnala, Librarian, KLEF** on **10-02-2026**. The programme aimed to familiarize students with the various academic resources and services available in the Central Library to support learning, projects, and research activities. 51 students and 2 faculty attended the event.

During the session, Dr. Kishore Patnala explained the effective use of **e-resources available in the Central Library**, including journals, e-books, and online databases. Special emphasis was given to accessing research papers from the **ASME (American Society of Mechanical Engineers) Database**, which is highly relevant for mechanical engineering students. He also demonstrated the procedure to browse and download **previous years' question papers** through the **D-Space digital repository**.

In addition, students were guided on how to access quality learning materials from **NPTEL**, including video lectures and course contents from IITs and other premier institutions. The programme concluded with a **library visit**, where students were shown various sections and services of the library.

The session was informative and helped students understand how to effectively utilize library resources for academic excellence.
