

Event	Independence day celebrations and plantation
Location	KLEF
Date of event	15-08-2020

NSS unit of Mechanical Engineering Department has conducted **Independence day celebrations and plantation** programme through online mode with all NSS core team members and faculty members the main moto of this program is to bring the awareness among the students to save the earth on the occasion of independence day. Students planted a small saplings at their convenient places safely and completed geo tagging for that and posted in the group for the proof. Volunteers actively participated in the event and made success.
