The Department of Mechanical Engineering, in collaboration with the National Service Scheme (NSS) unit, organized a community outreach program as part of DAAN UTSAV, celebrated on the eve of Sardar Vallabhbhai Patel's 150th Birth Anniversary. The event took place at the Upper Primary School, Gundimeda Village, with the active participation of 10 faculty members and 52 B.Tech and M.Tech Mechanical Engineering students. The initiative aimed to instill the values of generosity, compassion, and social responsibility among students while paying tribute to the Iron Man of India, whose vision and leadership unified the nation.

As part of the celebration, the NSS volunteers distributed notebooks, Stationery items and snacks to the school children, encouraging them to pursue education with greater enthusiasm and commitment. The students and faculty interacted warmly with the young learners, motivating them with inspirational stories about Sardar Vallabhbhai Patel's life, his dedication to education, and his contribution to national integration. The children expressed immense joy and gratitude for the thoughtful gifts and encouragement.

The event also emphasized the importance of education, discipline, and unity in shaping a better future for the community. Faculty members appreciated the efforts of the NSS volunteers for their sincere participation, teamwork, and organizational support in making the event successful. The school teachers and headmaster extended their heartfelt thanks to the Mechanical Engineering department for choosing their school for this meaningful outreach.

Overall, the DAAN UTSAV activity not only brought smiles to the faces of the children but also enriched the participants with a sense of fulfillment and civic responsibility. The celebration truly embodied the spirit of giving, harmony, and community service, reflecting the ideals and values championed by Sardar Vallabhbhai Patel.
