## Event Report for the A.Y 2025-2026, Even Semester Awareness on Conservation of Water

*“Save Water, Save Life”*

### 1. Event Details at a Glance

<b>Event Name</b>	Awareness on Conservation of Water
<b>Date</b>	04th April 2026 (Saturday)
<b>Location</b>	Tummapudi Village, Near Tenali, Andhra Pradesh
<b>Organising Unit</b>	NSS Unit-7, Department of Mechanical Engineering
<b>Institution</b>	Koneru Lakshmaiah Education Foundation
<b>Program Officer</b>	Dr. S. Ramesh Kumar
<b>Supporting Faculty</b>	Mr. Bala Hanuman Singh
<b>Total Volunteers</b>	43 Students (36 from II/IV B.Tech + 7 from III/IV B.Tech)
<b>Teams Formed</b>	8 Teams for Door-to-Door Campaign
<b>Slogan</b>	Save Water, Save Life

### 2. Background & Objective

Water is one of the most precious natural resources on Earth, yet rampant wastage and lack of awareness continue to pose serious threats to water security, especially in rural India. In alignment with the National Service Scheme's core philosophy of “Not Me, But You,” the Department of Mechanical Engineering, NSS Unit-7, KLEF, organized a community outreach programme titled “Awareness on Conservation of Water” at Tummapudi Village, near Tenali, Andhra Pradesh, on 04th April 2026.

The primary objective was to sensitize the local community — especially households — about the critical importance of water conservation, practical methods to reduce water wastage, and the collective responsibility every citizen bear in preserving this vital resource for future generations.

### 3. Programme Overview

A total of 43 NSS volunteers participated in the event: 36 students from the II/IV B.Tech programme and 7 students from the III/IV B.Tech programme. The event was led by the NSS Programme Officer, Dr. S. Ramesh Kumar, with active support from Mr. Bala Hanuman Singh.

The volunteers were systematically divided into 8 teams and deployed across different sections of Tummapudi Village to conduct a comprehensive door-to-door awareness campaign. Each team

carried specially designed posters and pamphlets bearing the theme “Save Water, Save Life” and engaged villagers in meaningful conversations about water conservation.

### 4. Key Activities Conducted

- Door-to-door campaign across all wards of Tummapudi Village by 8 dedicated student teams.
- Distribution of awareness posters and pamphlets on water conservation to local households.
- Interactive discussions with residents on the causes and consequences of water scarcity.
- Demonstrations of simple water-saving practices applicable in daily household usage.
- Motivational sessions encouraging villagers to adopt rainwater harvesting and reduce wastage.
- Propagation of the slogan “Save Water, Save Life” to create a lasting impression.

### 5. Outcomes & Impact

The event reached over 200 households across Tummapudi Village. The door-to-door approach enabled direct, personalised interaction with villagers, significantly enhancing the impact of the message. The initiative received an enthusiastic response from the local community, with residents pledging to adopt more responsible water usage practices.

The student volunteers demonstrated exemplary commitment, empathy, and teamwork throughout the campaign. The activity not only benefited the community but also enriched the students with first-hand experience of grassroots-level social work and the importance of environmental stewardship.

## 7. Conclusion

The NSS Unit-7, Department of Mechanical Engineering, KLEF, successfully conducted the “Awareness on Conservation of Water” programme at Tummapudi Village on 04th April 2026. The event stands as a testament to the university’s commitment to community service and environmental responsibility. The enthusiastic participation of 43 student volunteers and the positive response from the local community reflect the programme’s meaningful impact.

NSS Unit-7 with the support and encouragement from Head of the Department and NSS campus Team, remains committed to conducting similar awareness drives and community-centric initiatives, fostering a spirit of social responsibility among students while contributing positively to society.
