<b>Event</b>	<b>Rain water harvesting</b>
<b>Location</b>	<b>KLEF</b>
<b>Date of event</b>	<b>07-07-2020</b>

NSS unit of Mechanical Engineering Department has conducted **Rain water harvesting** awareness programme through webex online medium with all NSS core team members and faculty members the main moto of this program is to bring the awareness among the students to give the solution to the Adopted village area people, in many places they are having drinking water problems because of lack of water storage in the earth layers, so in order to avoid the drinking water problems the awareness on rain water harvesting is very help full. in order to overcome these problems we have discussed new techniques in the meeting on different rain water harvesting processes . Students and faculty members were attended for this program.
