

Event	Solar desalination stills awareness
Location	KLEF
Date of event	22-07-2020

NSS unit of Mechanical Engineering Department has conducted Solar Desalination stills awareness programme through webex online medium with all NSS core team members and faculty members the main moto of this program is to bring the awareness among the students to give the solution to the arid area people who are having drinking water problems , so in order to overcome these drinking water problems we have discussed new techniques in the meeting like solar desalination stills and modified stills. Students and faculty members were attended for this program.
