1	Ms. Shanmukhi, 4th year student		My experience at K L University has truly been a remarkable one. It helps the students to enhance academic and interpersonal skills. The Faculty are really helpful and they work hard for all the students to get placed in various companies. Project based labs are really helpful in gaining knowledge. Workshops and Internships provided by the University increased our industrial exposure. I am very grateful to the university for providing us the best of placement opportunities and finally I got placed in Infosys.
2	Shubham Mohindru , 4th year student		B.Tech Final Year, ME, placed in TCS, Wipro, Infosys, and Amazon. Constant support from the Placement Team, Active-Learning methods adopted by Faculty followed by the futuristic approach of respected HoD sir paved the way to my success. Life at KL has been a beautiful journey to cherish .
3	Umashanker Chinthakindi Principal Engineer Haldor Topsoe A/S- Denmark		Deciding to study in KL university was one of the best decisions I have made so far in my life. Before joining I selected this college based on the number of qualified staff and facilities and my expectations were met during my studies .
4	S. S. Subramanya Sastry, Director Projects (Renprotech Soln. Pvt. Ltd.)		I was a part of the Yantrik festival conducted at KL University during Feb 2020. I was very much impressed with the way the function was organized. I had personal interaction with students and faculty on various topics of academic interest and industry. It was a very interesting and heartening discussion. I am sure this is one of the most happening colleges not only in Vijayawada but in all the surrounding region. I wish the management of KLU a very bright future ahead.
5	S. N. Murthy, 4th year Student		presently studying B. Tech Final Year, ME, placed in TCS and Wipro. I would like to extend my thanks to the Placement Team and Faculty for guiding me towards success. Timely knowledge of the placement team, and teaching methods of the faculty have been extensively fruitful. Also, the continuous training provided by the respected HoD sir helped to develop my communication skills.
6	Ruvva Jugal Kishore, 4th year student		presently studying B.Tech Final Year, ME, placed in TCS, Infosys, and CTS. I would like to thank HoD sir, the placement team and my project guide for guiding me through a great project in the final year. My strategy has always been focusing on the present need of the industry and developing my skills accordingly.
