NSS unit of Mechanical Engineering Department has conducted **GO GREEN INITIATIVE** programme through WebEx online medium with all NSS core team members and faculty members and the resource person is Dr.P.Yellamma professor CSE department, the main moto of this program is to bring the awareness among the students to give the solution to the Adopted village area people, in many places just like that they are using plastic and no one is bothering about environment and they are not trying to save the plants, so in this event resource person explained the importance and advantages of greenery and requested all the students to avoid the usage of plastic and also requested all the students to plant at least one sapling at their convenient places and also students are instructed to maintain their surroundings with greenery, in order to overcome these problems we have discussed new techniques in the meeting on go green initiative . Students and faculty members were attended for this program.

The main meeting grid displays 17 participants in a grid layout. Each cell contains a circular icon with initials and a name below it. The participants are:
