The Rangoli competition witnessed enthusiastic participation, with students from other departments showcasing intricate and colorful designs reflecting themes of culture, and innovation. Participants used traditional and modern techniques, incorporating vibrant powders, flowers, highlighting their artistic skills. The event created a lively atmosphere, fostering teamwork and cultural appreciation among students. Judges evaluated the designs based on creativity, precision, and thematic representation, awarding the best entries with prizes.

Following the Rangoli competition, the Mind Mapping and Housie events provided an engaging recreational break for students. The game, known for its mix of luck and strategy, saw active participation, with numbers being called out amid excitement and anticipation. Several rounds were conducted, with thrilling moments as players neared victory, making the event highly interactive. Winners received prizes and the event successfully promoted social interaction, stress relief, and extracurricular involvement, offering students a refreshing break from academics. MESA's initiative in organizing such events fostered camaraderie among students while celebrating creativity and entertainment in a fun-filled environment. The
