Department of Mechanical Engineering

A.Y 2025-2026, Even Semester

Report on MESA Event “Quiz Time”

The Department of Mechanical Engineering organized a MESA event titled “Quiz Time” on 11-02-2026 for the B.Tech III Year students. The event was conducted under the guidance of Dr. T. Vijaya Kumar, Head of the Department of Mechanical Engineering. The primary objective of the quiz was to enhance students knowledge, promote healthy competition, and encourage active participation in both technical and non-technical domains.

Dr. T. Vijaya Kumar efficiently organized and conducted the quiz by dividing the entire class into six batches to ensure equal participation and team spirit among the students. The quiz consisted of a variety of questions covering core mechanical engineering subjects, current technological advancements, general knowledge, logical reasoning, and other non-technical topics. This balanced approach helped students test their academic understanding as well as their awareness of current affairs and general aptitude.

After a closely contested competition, Batch-2 emerged as the winner by securing the highest score. In recognition of their excellent performance, Dr. T. Vijaya Kumar distributed books and pens to each student of Batch-2 as a token of appreciation and encouragement.

The event concluded successfully, leaving students motivated and inspired to participate in future MESA activities.
