Description of the Event :

On 19th February NCC 10Andhra Girls Bn, KLEF have Organized India France Joint Meeting about Diversity and Inclusion. Diversity and Inclusion are two interconnected concepts but they are far from interchangeable. Diversity focuses on representation or the make-up of an entity. Inclusion is about how well the contributions, presence, and perspectives of different groups of people are valued and integrated into an environment.

Openness to diversity widens access to the best talent. Inclusion allows engagement with talent effectively. Equality enables delivery of fair outcomes. Together, this leads to enhanced innovation, creativity, productivity, reputation, engagement and business results.
