10(A) G. Bn. NCC

10(A) GIRLS BATTALION NCC

KLEF - GUNTUR

ARMY ATTACHMENT CAMP – 1, SECUNDERABAD

Event details

DATE:	18-08-2026 TO 27-08-2026
VENUE:	Secunderabad
ORGANISED BY :	20 Madras Regiment
SUPPORTED BY:	Dr B. SasiKala, CTO of 10(A) Girls Bn, NCC, KLEF
ATTENDED CADETS:	2

Aim :

The **Army Attachment Camp (AATC)**, conducted at **20 Madras, Secunderabad, Telangana, from 18 August 2026 to 27 August 2026**, aimed to provide NCC cadets with practical exposure to the discipline, training, lifestyle, and working environment of the Indian Army.

The camp focused on developing discipline, leadership, teamwork, self-confidence, responsibility, and patriotism among cadets through military training, interactions with Army personnel, and exposure to military equipment and practices.

Description :

The **Army Attachment Camp (AATC)** was conducted at **20 Madras, Secunderabad, Telangana, from 18 August 2026 to 27 August 2026**, allowing NCC cadets to experience the disciplined environment of the Indian Army and gain practical knowledge through instructional sessions, demonstrations, and Army-related activities.

Throughout the **ten-day camp**, cadets were introduced to the functioning and training environment of the Army. The sessions were conducted under the guidance of Army personnel, who provided valuable insights into **military discipline, training practices, equipment, teamwork, and the responsibilities associated with service in the Armed Forces**.

One significant learning experience during the camp was an **instructional session on the Rocket Launcher**. During the session, cadets were introduced to its **basic components, purpose, and general working principles**. The Army personnel also explained the importance of following proper procedures while dealing with military equipment.

The session placed particular emphasis on **safety precautions and disciplined handling of military equipment**. This practical exposure helped cadets understand the importance of responsibility, awareness, and adherence to safety instructions while working with such equipment.

The camp also provided cadets with opportunities to observe the **disciplined lifestyle, teamwork, and professional standards** maintained by Army personnel. These interactions helped cadets understand the importance of discipline, dedication, courage, responsibility, and commitment in military service.

The Army Attachment Camp served as a valuable learning experience beyond the regular NCC training environment. The exposure to Army life, training practices, and military equipment enhanced the cadets' understanding of the **Indian Army and its role in serving and protecting the nation**.

Overall, the **ten-day Army Attachment Camp at 20 Madras, Secunderabad**, was an insightful and enriching experience. It successfully provided cadets with practical exposure to the Army environment while strengthening the values of **discipline, leadership, teamwork, patriotism, responsibility, and service to the nation**.

Conclusion :

The Army Attachment Camp conducted at 20 Madras, Secunderabad, Telangana, from 18 August 2026 to 27 August 2026 was a highly informative and enriching experience for the NCC cadets of Ten Andhra Girls Battalion, KL University. The ten-day camp provided cadets with valuable exposure to the discipline, training methods, lifestyle, and functioning of the Indian Army.

During the camp, cadets underwent Physical Training, drill and military discipline, along with instructional sessions on various entries into the Army as an officer, technical aspects of military equipment, map reading, field craft and battle craft, section formation and battle drills, camouflage and concealment, judging distance, and identification of landmarks. They also gained awareness of CBRN and other essential aspects of field training.

A major part of the camp was the practical familiarization with military equipment. Cadets received guidance on the 7.62 mm assault rifle, AK-203, and 84 mm Rocket Launcher, including their basic components, purpose, technical features, handling, and necessary safety precautions. These sessions provided meaningful hands-on exposure under the supervision and guidance of Army personnel.

The cadets also participated in tent pitching activities and competitions, sports activities including Tagore, cultural programmes, and educational movie screenings of *Hawkshaw Bridge* and *Bharata Bhagya Vidhata*. These activities provided a balance between military training, recreation, cultural learning, and overall personality development.

The camp further strengthened the values of discipline, leadership, teamwork, confidence, responsibility, courage, dedication, and patriotism among the cadets. The guidance and support provided by the Army personnel, ANOs, PI Staff, and CTO Dr. B. Sesikala contributed significantly to making the camp a well-organized and memorable learning experience.

The successful participation of cadets, along with the recognition through certificates, and the presentation of token gifts to ANOs and PI Staff in appreciation of their valuable contribution, marked the successful completion of the camp.

Overall, the Army Attachment Camp at 20 Madras successfully transformed classroom-based NCC learning into practical military exposure, giving cadets a deeper understanding of Army life, military training, equipment, discipline, teamwork, and service to the nation. The experience will remain a valuable milestone in the cadets' NCC journey and will continue to inspire them to uphold the core values of discipline, duty, courage, and patriotism.

Jai Hind!
