Skill plays a vital role in shaping our personality. A skill is proficiency to do something. Skill is not only essential to support economic growth but is also a pre-condition for growth to be inclusive. Skills are the driving forces of economic growth and social development for the country. Countries with higher and better levels of skills adjust more effectively to Challenge the world of work.

22(A) Tenali battalion, NCC KLEF UNIT effectuated this skill development program in this month October. Cadets gave an active participation by writing poetry and articles on skill development. It paved the way to enhance various skills and its significance in our life.

As India moves progressively towards becoming knowledge economy, it becomes increasingly important that country should focus on advancement of skills that are relevant to emerging economic environment.

The 11th five-year plan of India has provided a base for skill development are:

- PM'S NATIONAL COUNCIL ON SKILL DEVELOPMENT
- NATIONAL SKILL DEVELOPMENT COORDINATION BOARD
- NATIONAL SKILL DEVELOPMENT CORPORATION

SKILLS can be of three types:

- Transferable(or)Functional
- Personal Traits/Attitudes
- Knowledge-based.

These are the institutions to anchor the skill development agenda, escalating the pace of skill through identification and coordinating in federal feature. Development in skills helps in self-reflection, critical thinking, problem solving, inter personality, self-regulation, teaches empathy, improves concentration and exploration of human world.
